To: The Shareholders of
Global Investments Limited

Dear Sir/Madam

ADDENDUM RELATING TO THE PROPOSED RENEWAL OF THE SHARE PURCHASE MANDATE (THE "ADDENDUM")

1. INTRODUCTION

1.1 We refer to:

- (a) the Notice of Special General Meeting of Global Investments Limited (the "**Company**") dated 31 March 2017 (the "**Notice of SGM**"), accompanying the annual report of the Company for the financial year ended 31 December 2016, convening the Special General Meeting to be held on 27 April 2017 (the "**SGM**"); and
- (b) the proposed ordinary resolution in the Notice of SGM ("**Ordinary Resolution No. 1**") relating to the renewal of the mandate (the "**Share Purchase Mandate**") given by the shareholders of the Company (the "**Shareholders**") at the Special General Meeting of the Company held on 29 April 2016 (the "**2016 SGM**") to enable the Company to purchase or otherwise acquire its issued and fully paid-up ordinary shares of par value \$0.01 each in the capital of the Company (the "**Shares**");

1.2 Any purchase or acquisition of Shares by the Company pursuant to the Share Purchase Mandate will be made in accordance with, and in the manner prescribed by the memorandum of association of the Company (the "**Memorandum**"), the bye-laws of the Company (the "**Bye-laws**"), the listing manual of Singapore Exchange Securities Trading Limited (the "**SGX-ST**"), and the listing manual of the SGX-ST, the "**Listing Manual**"), the Companies Act 1981 of Bermuda, as amended or modified from time to time (the "**Bermuda Companies Act**"), and such other laws and regulations as may for the time being be applicable.

1.3 **Addendum.** The purpose of this Addendum is to provide Shareholders with information relating to the proposals to be tabled at the SGM.

1.4 **Directors' recommendations.** The directors of the Company (the "**Directors**") recommend that Shareholders vote in favour of the proposed renewal of the Share Purchase Mandate. Further details relating to the Directors' recommendations are set out in paragraph 4.

2. THE PROPOSED RENEWAL OF THE SHARE PURCHASE MANDATE

2.1 Background

The Share Purchase Mandate was originally approved by the Shareholders at a Special General Meeting held on 5 December 2011 and subsequently the Shareholders have approved the renewal of the mandate every year.

At the 2016 SGM, the Shareholders had approved, *inter alia*, the renewal of the Share Purchase Mandate. The authority and limitations on the Share Purchase Mandate were set out in the circular to Shareholders and notice of the 2016 SGM dated 1 April 2016.

The renewed Share Purchase Mandate was expressed to take effect on the date of the 2016 SGM and will expire on the conclusion of the forthcoming 2017 Annual General Meeting of the Company to be held immediately before the SGM. Accordingly, the Directors propose that the Share Purchase Mandate be renewed at the SGM.

The Company has not made any purchases or acquisitions of its Shares pursuant to the Share Purchase Mandate.

2.2 Rationale for Proposed Renewal of the Share Purchase Mandate

The rationale for the Company to undertake the purchase or acquisition of its Shares is as follows:

- (a) in line with international practice, the Share Purchase Mandate will provide the Company with greater flexibility in managing its capital and maximising returns to its Shareholders;
- (b) to the extent that the Company has capital and surplus funds which are in excess of its possible financial needs, taking into account its growth and expansion plans, the Share Purchase Mandate will facilitate the return of excess cash and surplus funds to Shareholders in an expedient, effective and cost-efficient manner; and
- (c) the Share Purchase Mandate will provide the Company the flexibility to undertake Share repurchases at any time, subject to market conditions, during the period when the Share Purchase Mandate is in force. The purchases or acquisitions may, depending on market conditions at the relevant time, lead to an enhancement of the net asset value and/or earnings per Share and would allow the Company to optimally allocate its resources and maximise Share value and is one of the ways through which the return on equity of the Company and its subsidiaries (the “Group”) may be enhanced.

The purchase or acquisition of Shares will only be undertaken if beneficial to the Company and the Shareholders. While the Share Purchase Mandate would authorise a purchase or acquisition of Shares up to the 10 per cent. (10%) limit described in paragraph 2.3, Shareholders should note that purchases or acquisitions of Shares pursuant to the Share Purchase Mandate may not be carried out to the full 10 per cent. (10%) limit as authorised or at all and no purchase or acquisition of Shares will be made in circumstances which would have or may have a material adverse effect on the liquidity and capital adequacy position or financial position of the Company or the Group as a whole and/or will affect the listing status of the Company on the SGX-ST.

2.3 Authority and Limits of the Share Purchase Mandate

The authority relating to, and limitations placed on, purchases or acquisitions of Shares by the Company under the Share Purchase Mandate, if renewed at the SGM, are summarised below:

2.3.1 Maximum Number of Shares

Only Shares which are issued and fully paid-up may be purchased or acquired by the Company. The total number of Shares which may be purchased or acquired by the Company pursuant to the Share Purchase Mandate is limited to that number of Shares representing not more than 10 per cent. (10%) of the issued Shares as at the date of the SGM (subject to any proportionate adjustments as may result from any capital subdivision and/or consolidation of the Company).

2.3.2 Duration of Authority

Purchases or acquisitions of Shares may be made, at any time and from time to time, on and from the date of the SGM at which the renewal of the Share Purchase Mandate is approved, up to:

- (a) the conclusion of the next Annual General Meeting of the Company or the date by which the next Annual General Meeting of the Company is required by law to be held;
- (b) the date on which the authority conferred by the Share Purchase Mandate is varied or revoked by the Company in a general meeting by way of an ordinary resolution; or
- (c) the date on which purchases and acquisitions of Shares pursuant to the Share Purchase Mandate are carried out to the full extent mandated,

whichever occurs the earliest.

2.3.3 Manner of Purchases or Acquisitions of Shares

Purchases or acquisitions of Shares may be made by way of:

- (a) on-market purchases ("**Market Purchases**"), transacted through the SGX-ST's trading system through one or more duly licenced dealers appointed by the Company for the purpose; and/or
- (b) off-market purchases ("**Off-Market Purchases**"), other than on a securities exchange, in accordance with an equal access scheme.

The Directors may impose such terms and conditions which are not inconsistent with the Share Purchase Mandate, the Memorandum of Association of the Company, the Bye-laws, the listing manual of the SGX-ST (the "**Listing Manual**") and the Bermuda Companies Act as they consider fit in the interests of the Company in connection with or in relation to any equal access scheme or schemes. An equal access scheme must, however, satisfy all the following conditions:

- (a) offers for the purchase or acquisition of Shares shall be made to every person who holds Shares to purchase or acquire the same percentage of their Shares;
- (b) all of those persons shall be given a reasonable opportunity to accept the offers made; and
- (c) the terms of all the offers are the same, except that there shall be disregarded (1) differences in consideration attributable to the fact that offers may relate to Shares with different accrued dividend entitlements; (2) differences in the offers introduced solely to ensure that each person is left with a whole number of Shares; and (3) (if applicable) differences in consideration attributable to the fact that the offers relate to Shares with different amounts remaining unpaid.

If the Company wishes to make an Off-Market Purchase in accordance with an equal access scheme, it will issue an offer document containing at least the following information:

- (I) the terms and conditions of the offer;
- (II) the period and procedures for acceptances;
- (III) the reasons for the proposed share buy-back;
- (IV) the consequences, if any, of share buy-backs by the Company that will arise under the Singapore Code on Take-overs and Mergers (the "**Take-over Code**") or other applicable take-over rules;
- (V) whether the share buy-back, if made, could affect the listing of the Shares on the SGX-ST;

- (VI) details of any share buy-back made by the Company in the previous twelve (12) months (whether Market Purchases or Off-Market Purchases in accordance with an equal access scheme), giving the total number of Shares purchased, the purchase price per Share or the highest and lowest prices paid for the purchases, where relevant, and the total consideration paid for the purchases; and
- (VII) whether the Shares purchased by the Company will be cancelled or kept as treasury shares.

2.3.4 Purchase Price

The purchase price (excluding related brokerage, commission, applicable goods and services tax, stamp duties, clearance fees and other related expenses) to be paid for a Share will be determined by the Directors subject to, and in accordance with, the Listing Manual and the Bye-laws. The purchase price to be paid for the Shares as determined by the Directors, in the case of a Market Purchase and an Off-Market Purchase pursuant to an equal access scheme, must not exceed:

- (a) in the case of a Market Purchase, 105 per cent. (105%) of the Average Closing Price of the Shares; and
- (b) in the case of an Off-Market Purchase, 120 per cent. (120%) of the Average Closing Price of the Shares,

in each case, excluding related brokerage, commission, applicable goods and services tax, stamp duties, clearance fees and other related expenses of the purchase or acquisition (the **“Maximum Price”**).

For these purposes:

“Average Closing Price” means the average of the closing market prices of a Share over the last five (5) Market Days on which the Shares are transacted on the SGX-ST immediately preceding the date of the Market Purchase by the Company or, as the case may be, the date of the making of the offer pursuant to the Off-Market Purchase, and deemed to be adjusted, in accordance with the Listing Rules, for any corporate action that occurs after the relevant five (5) day period;

“date of the making of the offer” means the date on which the Company announces its intention to make an offer for the purchase or acquisition of Shares from holders of Shares, stating therein the purchase price (which shall not be more than the Maximum Price) for each Share and the relevant terms of the equal access scheme for effecting the Off-Market Purchase; and

“Market Day” means a day on which the SGX-ST is open for trading in securities.

2.4 Status of Purchased Shares

Shares purchased or acquired by the Company, in its capacity as a mutual fund company under Bermuda law, are deemed cancelled immediately on purchase or acquisition (and all rights and privileges attached to the Shares will expire on such cancellation). Accordingly, the issued share capital of the Company, but not the Company's authorised share capital, will be diminished by the nominal value of those Shares purchased or acquired by the Company. The Company will be able to issue Shares equal in aggregate par value to the aggregate par value of those Shares purchased and cancelled as if those Shares had never been issued. Shares purchased or acquired by the Company will be automatically delisted by the SGX-ST and all certificates issued to the former holder (if applicable) in respect thereof will be cancelled and destroyed by the Company as soon as reasonably practicable following settlement of any such purchase or acquisition.

2.5 Source of Funds

Pursuant to the Bye-laws and the Bermuda Companies Act, the Company may repay the capital paid-up on purchased or acquired Shares out of paid-in capital, share premium or other reserves and pay the premium (if any) on purchased or acquired Shares out of the realised or unrealised profits of the Company, share premium or other reserves of the Company, so long as the Company is, and shall after the payment be, able to pay its liabilities as they become due.

The Company intends to utilise its internal funds to finance its purchase or acquisition of the Shares. The Company does not intend to obtain or incur any borrowings to finance its purchase or acquisition of the Shares. The Directors do not propose to exercise the Share Purchase Mandate in a manner and to such extent that it would materially affect the working capital requirements of the Group.

2.6 Financial Effects

The financial effects on the Company and the Group arising from purchases or acquisitions of Shares which may be made pursuant to the Share Purchase Mandate will depend on, *inter alia*, whether the Shares are purchased or acquired out of profits and/or capital of the Company, the number of Shares purchased or acquired and the price paid for such Shares. The financial effects on the Company and the Group arising from purchases or acquisitions of Shares pursuant to the Share Purchase Mandate, based on the audited financial statements of the Company and the Group for the financial year ended 31 December 2016, are based on the assumptions set out below.

2.6.1 Purchase or Acquisition out of Capital or Profits

Pursuant to the Bye-laws and the Bermuda Companies Act, the Company may repay the capital paid-up on purchased or acquired Shares out of paid-in capital, share premium or other reserves and pay the premium (if any) on purchased or acquired Shares out of the realised or unrealised profits of the Company, share premium or other reserves of the Company, so long as the Company is, and shall after the payment be, able to pay its liabilities as they become due.

There will be no impact on the amount available for the distribution of cash dividends by the Company where purchases or acquisitions of Shares by the Company are made out of the Company's capital.

Where purchases or acquisitions of Shares by the Company are made out of profits (if any), the amount available for the distribution of cash dividends by the Company will be correspondingly reduced.

2.6.2 Number of Shares Acquired or Purchased

As at 15 March 2017 (the "**Latest Practicable Date**"), the issued capital of the Company comprised 1,551,775,404 Shares. No Shares are reserved for issue by the Company as at the Latest Practicable Date. Purely for illustrative purposes, on the basis of 1,551,775,404 Shares in issue as at the Latest Practicable Date, the purchase by the Company of 10 per cent. (10%) of its issued Shares will result in the purchase or acquisition of 155,177,540 Shares.

2.6.3 Maximum Price Paid for Shares Acquired or Purchased

In the case of Market Purchases by the Company and assuming that the Company purchases or acquires 155,177,540 Shares at the maximum price of S\$0.145 for one Share (being the price equivalent to 105 per cent. (105%) of the Average Closing Price of the Shares for the last five Market Days on which the Shares were transacted on the SGX-ST immediately preceding the Latest Practicable Date), the maximum amount of funds required for the purchase or acquisition of 155,177,540 Shares is approximately S\$22,500,744 (excluding related brokerage, commission, applicable goods and services tax, stamp duties, clearance fees and other related expenses).

In the case of Off-Market Purchases by the Company and assuming that the Company purchases or acquires 155,177,540 Shares at the maximum price of S\$0.166 for one Share (being the price equivalent to 120 per cent. (120%) of the Average Closing Price of the Shares for the last five Market Days on which the Shares were transacted on the SGX-ST immediately preceding the Latest Practicable Date), the maximum amount of funds required for the purchase or acquisition of 155,177,540 Shares is approximately S\$25,759,472 (excluding related brokerage, commission, applicable goods and services tax, stamp duties, clearance fees and other related expenses).

2.7 Illustrative Financial Effects

For illustrative purposes only and on the basis of the assumptions set out in paragraphs 2.6.2 and 2.6.3, the financial effects of the:

- (a) purchase or acquisition of 155,177,540 Shares by the Company pursuant to the Share Purchase Mandate by way of Market Purchases; and
- (b) purchase or acquisition of 155,177,540 Shares by the Company pursuant to the Share Purchase Mandate by way of Off-Market Purchases,

on the consolidated financial statements of the Company and the Group for the financial year ended 31 December 2016 would have been as follows:

Shareholders should note that the financial effects set out above, based on the respective aforementioned assumptions, are for illustrative purposes only. In particular, it is important to note that the above analysis is based on historical numbers for the financial year ended 31 December 2016, and is not necessarily representative of future financial performance.

Although the Share Purchase Mandate would authorise the Company to purchase or acquire up to 10 per cent. (10%) of the issued Shares, the Company may not necessarily purchase or acquire or be able to purchase or acquire the entire 10 per cent. (10%) of the issued Shares or at all.

IN PARTICULAR, THE DIRECTORS DO NOT INTEND TO EXERCISE THE SHARE PURCHASE MANDATE UP TO THE MAXIMUM LIMIT AND TO SUCH AN EXTENT IF SUCH EXERCISE WOULD MATERIALLY AND ADVERSELY AFFECT THE LIQUIDITY AND CAPITAL ADEQUACY POSITION OR FINANCIAL POSITION OF THE COMPANY OR THE GROUP AS A WHOLE AND/OR WILL AFFECT THE LISTING STATUS OF THE COMPANY ON THE SGX-ST.

2.8 Tax Implications

Shareholders who are in doubt as to their respective tax positions or the tax implications of Share repurchases by the Company, or who may be subject to tax whether in or outside Singapore, should consult their own professional advisers.

2.9 Listing Rules

Listing Rule 886(1) specifies that a listed company shall notify all purchases or acquisitions of its shares to the SGX-ST not later than 9.00 a.m. (a) in the case of a Market Purchase, on the Market Day following the day of purchase or acquisition of any of its shares and (b) in the case of an Off-Market Purchase under an equal access scheme, on the second Market Day after the close of acceptances of the offer. Such notification currently requires, *inter alia*, the inclusion of the date of purchase, details of the total number of shares purchased and the purchase price per share or the highest and lowest prices paid for such shares, as applicable.

While the Listing Rules do not expressly prohibit any purchase of shares by a listed company during any particular time or times, because the listed company would be regarded as an “insider” in relation to any proposed purchase or acquisition of its issued shares, the Company will not undertake any purchase or acquisition of Shares pursuant to the proposed Share Purchase Mandate at any time after a price sensitive development has occurred or has been the subject of a decision until the price sensitive information has been publicly announced. In addition, as per Listing Rule 1207(19)(c), the Company would not purchase or acquire any Shares through Market Purchases during the period of one month immediately preceding the announcement of the Company’s full-year results and the period of two weeks immediately preceding the announcement of the Company’s first quarter, second quarter and third quarter results.

Pursuant to Listing Rule 723, the Company has to ensure that at least 10 per cent. (10%) of the Shares are at all times held by the “public” (the public being persons other than directors, the chief executive officer, substantial shareholders or controlling shareholders of the Company and its subsidiary companies and associates of the aforesaid persons, as defined in the Listing Manual). As at the Latest Practicable Date, approximately 87.08 per cent. of the issued Shares are held by public Shareholders. Accordingly, the Company is of the view that there is a sufficient number of the Shares in issue held by public Shareholders which would permit the Company to undertake purchases or acquisitions of its Shares through Market Purchases up to the full 10 per cent. (10%) limit pursuant to the Share Purchase Mandate without affecting the listing status of the Shares on the SGX-ST, and that the number of Shares remaining in the hands of the public will not fall to such a level as to cause market illiquidity or to affect orderly trading. Before deciding to effect a purchase of Shares, the Directors will also consider whether, notwithstanding such purchase, a sufficient float in the hands of the public will be maintained to provide for an orderly market for trading in the Shares.

The Directors will use their best efforts to ensure that the Company does not effect a purchase or acquisition of Shares if the purchase or acquisition of Shares would result in the number of Shares remaining in the hands of the public falling to such a level as to cause market illiquidity or adversely affect the listing status of the Company.

2.10 Take-over Implications

Appendix 2 of the Take-over Code contains the Share Buy-Back Guidance Note applicable as at the Latest Practicable Date. The take-over implications arising from any purchase or acquisition by the Company of its Shares are set out below:

2.10.1 Obligation to make a Take-Over Offer

If, as a result of any purchase or acquisition by the Company of its Shares, a Shareholder's proportionate interest in the voting capital of the Company increases, such increase will be treated as an acquisition for the purposes of Rule 14 of the Take-over Code ("**Rule 14**"). If such increase results in a change of effective control, or, as a result of such increase, a Shareholder or group of Shareholders acting in concert obtains or consolidates effective control of the Company, such Shareholder or group of Shareholders acting in concert could become obliged to make a take-over offer for the Company under Rule 14.

2.10.2 Persons Acting in Concert

Under the Take-over Code, persons acting in concert comprise individuals or companies who, pursuant to an agreement or understanding (whether formal or informal), cooperate, through the acquisition by any of them of shares in a company, to obtain or consolidate effective control of that company. Unless the contrary is established, the following persons will be presumed to be acting in concert:

- (a) a company with any of its directors (together with their close relatives, related trusts as well as companies controlled by any of the directors, their close relatives and related trusts);
- (b) a company, its parent, subsidiaries and fellow subsidiaries, and their associated companies and companies of which such companies are associated companies, and any person who has provided financial assistance (other than a bank in the ordinary course of business) to any of the aforementioned for the purchase of voting rights, all with each other. For this purpose, a company is an associated company of another company if the second company owns or controls at least 20 per cent. (20%) but not more than 50 per cent. (50%) of the voting rights of the first-mentioned company;
- (c) directors of a company, together with their close relatives, related trusts and companies controlled by any of them, which is subject to an offer or where they have reason to believe a bona fide offer for their company may be imminent;
- (d) partners; and
- (e) an individual, his close relatives, his related trusts, and any person who is accustomed to act in accordance with his instructions, companies controlled by any of the aforementioned and any person who has provided financial assistance (other than a bank in the ordinary course of business) to any of the aforementioned for the purchase of voting rights, all with each other.

The circumstances under which Shareholders (including Directors) and persons acting in concert with them respectively will incur an obligation to make a take-over offer under Rule 14 after a purchase or acquisition of Shares by the Company are set out in Appendix 2 of the Take-over Code.

2.10.3 Effect of Rule 14 and Appendix 2 of the Take-over Code

In general terms, the effect of Rule 14 and Appendix 2 of the Take-over Code is that, unless exempted, Directors and persons acting in concert with them will incur an obligation to make a take-over offer for the Company under Rule 14 if, as a result of the Company purchasing or acquiring its Shares, the voting rights of such Directors and their concert parties would increase to 30 per cent. (30%) or more, or if the voting rights of such Directors and their concert parties fall between 30 per cent. (30%) and 50 per cent. (50%) of the Company's voting rights, the voting rights of such Directors and their concert parties would increase by more than 1 per cent. (1%) in any period of six (6) months.

Under Appendix 2 of the Take-over Code, a Shareholder not acting in concert with the Directors will not be required to make a take-over offer under Rule 14 if, as a result of the Company purchasing or acquiring its Shares, the voting rights of such Shareholder in the Company would increase to 30 per cent. (30%) or more, or, if such Shareholder holds not less than 30 per cent. (30%) but not more than 50 per cent. (50%) of the Company's voting rights, the voting rights of such Shareholder would increase by more than 1 per cent. (1%) in any period of six (6) months. Such Shareholder need not abstain from voting in respect of the resolution authorising the Share Purchase Mandate.
