(collectively, "**Proposed Resolutions**").

1.2. Circular to Shareholders

The purpose of this Circular is to provide Shareholders with information relating to the Proposed Resolutions to be tabled at the SGM to be held at Holiday Inn Singapore Orchard City Centre, Crystal Suite, Level 2, 11 Cavenagh Road, Singapore 229616 on 31 December 2018 at 10.00 a.m., notice of which is set out on pages 160 - 165 of this Circular.

The SGX-ST assumes no responsibility for the correctness of any statements made, reports contained or opinions expressed in this Circular.

2. THE PROPOSED SHARE PREMIUM REDUCTION

2.1. Background

The Company was incorporated in 2006 as Babcock & Brown Structured Finance Fund. Babcock & Brown Structured Finance Management Pty Ltd was the manager of the Company from 12 December 2006 to 24 November 2009. As at 31 December 2009, the Company had incurred accumulated losses amounting to S\$236,687,760.52. The losses arose mainly from the impairment of the Company's subsidiaries following the impairment of the underlying investments in 2008 and 2009 during the global financial crisis.

ST Asset Management Ltd took over as the manager of the Company on 25 November 2009 followed by Singapore Consortium Investment Management Limited from 29 April 2016 till present. From 1 January 2010 to 30 September 2018, the Company has generated a total profit of S\$197,216,863.08 of which S\$135,060,325.04 has been distributed as dividends.

On 1 January 2012, the Company changed its functional currency from US\$ to S\$. The losses of S\$65,846,112.49 in the Company's capital reserve represents the cumulative foreign currency translation differences on share capital denominated in S\$ up to the date of change in functional currency.

While Shareholders' approval is not required under the Bermuda Companies Act nor the Company's Existing Bye-Laws, the Directors are nevertheless seeking Shareholders' approval for the Proposed Share Premium Reduction for the purposes of transparency and investor relations.

2.2. Structure of the Proposed Share Premium Reduction

The proposed share premium reduction will involve the following:-

- (a) the reduction of the Company's share premium amount by S\$302,533,873.01;
- (b) the sum of S\$236,687,760.52 arising from the abovesaid reduction in the share premium amount be utilised to be set-off against the accumulated losses of the Company as at 31 December 2009 amounting to S\$236,687,760.52; and

- (c) the remaining sum of S\$65,846,112.49 arising from the abovesaid reduction in the share premium amount be utilised to be set-off against the losses in the Company's capital reserve amounting to S\$65,846,112.49

(collectively, the "Proposed Share Premium Reduction").

2.3. Effect of the Proposed Share Premium Reduction

The Proposed Share Premium Reduction does not involve any reduction in the authorised or issued share capital of the Company, nor does it involve the diminution of any liability in respect of unpaid share capital or the payment to any Shareholder of any paid up share capital of the Company.

The Proposed Share Premium Reduction will also not result in any change in the number of Shares held by any Shareholder. Each Shareholder will hold the same number of Shares before and immediately after the Proposed Share Premium Reduction. The Proposed Share Premium Reduction will also provide retained profits that can be distributed as dividends to Shareholders upon the Company's Re-domiciliation.

Please refer to Section 2.5 below for more information regarding the financial effects of the Proposed Share Premium Reduction.

2.4. Rationale for the Proposed Share Premium Reduction

The Board is of the view that the Proposed Share Premium Reduction is beneficial to the Company and the Shareholders as a whole, as it will enable the Company's balance sheet to better reflect its underlying assets and financial position. The Company would also be in a better position to retain profits and enhance its ability to pay future dividends, if appropriate, if the Company's accumulated losses and the losses in the Company's capital reserve are written off, when it re-domiciles to Singapore.

While the Directors will take into consideration the present and future funding needs of the Company and Group before declaring any dividends, Shareholders however should note there can be no assurance that a dividend will be declared or paid in future even if the Proposed Share Premium Reduction becomes effective.

2.5. Financial Effects of the Proposed Share Premium Reduction

2.5.1. NAV, Gearing and EPS

The Proposed Share Premium Reduction will not have any impact on the NAV, gearing or EPS of the Group.

2.5.2. Shareholders' Funds and Reserves

The pro forma financial effects of the Proposed Share Premium Reduction on the Shareholders' funds and reserves of the Company and the Group have been prepared based on the audited consolidated financial statements of the Group results, FY2017 being the most recently completed financial year, and on 30 September 2018, being the end of the most recently completed quarter of the Company as at the Latest Practicable Date. The pro forma financial effects are only for illustrative purposes and are therefore not necessarily indicative of the actual financial position of the Company and the Group after the completion of the Proposed Share Premium Reduction.

Shareholders should note that the pro forma financial effects set out below are for illustrative purposes only. In particular, it is important to note that the tables below are based on the historical audited consolidated financial statements of the Company and the Group for the FY2017, and the historical unaudited financial statements for the nine months ended 30 September 2018 respectively.

Assuming the Proposed Share Premium Reduction had been completed on 31 December 2017, the pro forma financial effects of the Shareholders' funds and reserves of the Company and the Group for FY2017, based on the audited consolidated financial statements of the Company and the Group for the FY2017, are as follows:

Based on the audited consolidated financial statements for FY2017

Assuming the Proposed Share Premium Reduction had been completed on 30 September 2018, the pro forma financial effects of the Shareholders' funds and reserves of the Company and the Group for the nine months ended 30 September 2018, based on the unaudited financial statements of the Company and the Group for the nine months ended 30 September 2018, are as follows:

⁽²⁾ With effect from 1 January 2018, the Group adopted International Financial Reporting Standards 9. Financial assets previously held as available-for-sale have been reclassified to financial assets at fair value through profit and loss. Correspondingly, the available-for-sale revaluation reserve related to those financial assets have been reclassified to accumulated losses on 1 January 2018.

⁽³⁾ After offsetting against the accumulated losses of S\$236,687,760.52 as at 31 December 2009, the Company will have a retained profit of S\$62,156,538.04 as at 30 September 2018.

3. THE PROPOSED RE-DOMICILIATION OF THE COMPANY

3.1. Background

On 10 March 2017, the Re-domiciliation Regime, amongst other things, was passed under the Companies (Amendment) Act 2017 of Singapore, and eventually came into force on 11 October 2017. Under the Re-domiciliation Regime, foreign corporate entities which meet the relevant criteria will be allowed to transfer their domicile to Singapore without having to incorporate a new entity while at the same time retaining their corporate identity and history.

While Section 132G of the Bermuda Companies Act provides that exempted companies may be discontinued in Bermuda and be continued in a jurisdiction outside of Bermuda, Section 132G(2)(e) of the Bermuda Companies Act however requires that the other jurisdiction must be either an appointed jurisdiction or a jurisdiction that is approved by the Minister of Finance, Bermuda upon application. As Singapore was appointed as an appointed jurisdiction in Bermuda only on 22 March 2018 and as gazetted on 24 April 2018, it is clear that it is now possible for Bermuda companies to discontinue themselves from Bermuda and continue in Singapore.

The Company now proposes to transfer the domicile of the Company from Bermuda to Singapore by way of a discontinuance out of Bermuda and continuance and registration in Singapore under the Re-domiciliation Regime ("**Proposed Re-domiciliation**") for the reasons set out in Section 3.2 of this Circular.

3.2. Rationales for the Proposed Re-domiciliation

The rationales for the Proposed Re-domiciliation are as follows:

- (a) Align the Company's country of registration with its country of listing and where its main operations and business are situated

The Company was first incorporated in 2006 in Bermuda. However, the Company's operations and business are presently based primarily in Singapore, and its Shares are listed on the Main Board of the SGX-ST and subject to the applicable Singapore listing rules and regulations. As at the date hereof, the Company has no substantial nexus to Bermuda in respect of its operations and business. The Proposed Re-domiciliation would allow the Company to align its country of registration with its country of listing and where the Company's main operations and business are situated.

- (b) Increase administrative and operational efficiency

Currently, when the Company contemplates any corporate transaction or undertakes any fundraising exercise, it will need to ensure compliance with both Singapore listing rules, regulations and laws as well as Bermuda laws and regulations (as applicable), which may be administratively cumbersome and costly, as it requires the Company to engage different sets of legal advisors to advise on the applicable laws and regulations and to obtain approvals (where necessary) from the regulatory authorities of both jurisdictions for its corporate transactions.

Upon the completion of the Proposed Re-domiciliation, corporate transactions and exercises undertaken by the Company would need to comply with Singapore listing rules and regulations and Singapore company laws, without the added requirement of compliance with Bermuda laws and regulations. This would result in faster execution and lower costs incurred by the Company to ensure compliance with applicable laws and regulations.

- (c) Increased flexibility for future corporate actions

There are some differences between Bermuda company laws and Singapore company laws. In some cases, the options available to the Company may be limited due to the limitations imposed, or different considerations necessitated, by Bermuda company laws. Upon completion of the Proposed Re-domiciliation, the Company will be able to fully utilise the options available under Singapore legislation when carrying out future corporate actions. Please refer to Appendix II of this Circular for a summary comparison of the material differences between the company law in Singapore and Bermuda.

3.3. Effects of the Proposed Re-domiciliation

The Proposed Re-domiciliation will not alter the underlying assets, investments, management or financial position of the Company (other than as a result of the expenses and professional fees to be incurred) nor the proportionate interests of the Shareholders. The Proposed Re-domiciliation also does not create a new legal entity nor prejudice or affect the identity of the corporate body constituted by the Company or its continuity as a corporate body. It also does not affect the property, or the rights or obligations, of the Company, or render defective any legal proceedings by or against the Company, and any legal proceedings that could have been continued or commenced by or against the Company before its registration in Singapore may be continued or commenced by or against the Company after its registration in Singapore.

Under the Bermuda Companies Act, the Company, being a mutual fund company, may declare or pay a dividend as long as the Company is, or would after such payment be, able to pay its liabilities as they become due. However, as dividends can only be distributed to Shareholders out of the Company's profits under the Singapore Companies Act, the Company will not be allowed to declare dividends if it does not have sufficient profits after its re-domiciliation to Singapore. However, a company in Singapore is not required to apply its current year profits to offset any accumulated losses from past years and may distribute such profits as dividends.

The Proposed Re-domiciliation will not involve the formation of a new company, the withdrawal of listing of the existing Shares, any issue of new Shares, any transfer of assets of the Company or any change in the existing shareholding structure of the Company. The implementation of the Proposed Re-domiciliation will not affect the Company's listing status on the SGX-ST.

The investment policy of the Company, that is, to make investments in a portfolio of assets in different sectors through different means (which include but are not limited to direct asset ownership, swaps, debts, warrants, options, convertibles, preference shares, equities, guarantees of assets and performance, securities lending and participating loan agreements provided that the Company will not make any direct investments in real estate and commodities), remains unchanged.

The Company will inform the relevant authorities of the changes to its country of registration. The Proposed Re-domiciliation is also not expected to affect any regulatory licences, permits or approvals required for the Company's operations. Pursuant to the confirmations provided by the SGX-ST on 4 July 2018 and the Monetary Authority of Singapore on 31 July 2018 and 24 September 2018, all prior existing waivers, exemptions or otherwise that have been previously granted to the Company, such as the application of the Enhanced-Tier Fund Tax Incentive Scheme and the classification of the Company as a mutual fund company (allowing the Company to, *inter alia*, not be required to comply with the minimum trading price requirement under Rule 1311 of the Listing Manual), will continue to apply upon the Proposed Re-domiciliation. While consequential changes will have to be made to the Management Agreement upon the Proposed Re-domiciliation to replace references made to, *inter alia*, the Existing Bye-Laws and Bermuda law with the New Constitution and Singapore law, such changes will not affect the interest of the Shareholders.

At present, the Company's auditor is Ernst & Young LLP (the "**Auditor**") and the Auditor will continue in its appointment upon the Proposed Re-domiciliation.

3.4. Conditions of the Proposed Re-domiciliation

The Proposed Re-domiciliation is conditional upon the following matters:-

- (a) passing of the Ordinary Resolution for the Proposed Re-domiciliation and the Special Resolution for the Proposed Adoption of the New Constitution by the Shareholders at the SGM to approve the resolutions;
- (b) compliance with the relevant legal procedures and requirements under the laws of Singapore and the laws of Bermuda in respect of the Proposed Re-domiciliation; and
- (c) obtaining of all necessary approvals from ACRA, the Bermuda Monetary Authority ("**BMA**"), the Bermuda Registrar, and/or any other relevant regulatory authorities as may be required in respect of the Proposed Re-domiciliation

(collectively "**Conditions**").

3.5. Issue of Share Certificates for the Re-domiciliation

Shareholders should note that, subject to the satisfaction of the Conditions, the Company will, within 60 days from the Re-domiciliation Effective Date, have ready for delivery new share certificates ("**New Share Certificates**") to replace the existing share certificates which have been issued to holders of Shares as at the Re-domiciliation Effective Date ("**Old Share Certificates**"). Upon the delivery of the New Share Certificates to the holders of Shares as at the Re-domiciliation Effective Date, all Old Share Certificates in respect of such Shares shall cease to be operative and cease to have any validity.

Depositors and Shareholders who have deposited their Old Share Certificates with CDP at least 28 calendar days prior to the Re-domiciliation Effective Date need not take any action as the Company will make arrangements with CDP to effect the exchange for New Share Certificates. Shareholders who have not deposited their Old Share Certificates as aforesaid or who do not wish to deposit their Old Share Certificates with CDP are advised to forward all their Old Share Certificates to the Share Transfer Agent, Boardroom Corporate & Advisory Services Pte. Ltd. at 50 Raffles Place, #32-01, Singapore Land Tower, Singapore 048623, for cancellation at their earliest convenience upon the Re-domiciliation of the Company. No receipt will be issued by the Share Transfer Agent for the receipt of the Old Share Certificates tendered.

Whether or not the Old Share Certificates are returned to the Company's Share Transfer Agent, the Old Share Certificates will be cancelled and New Share Certificates will be issued to the Shareholders.

The New Share Certificates will be sent by registered mail to the registered addresses of the relevant Shareholders who hold physical share certificates as at the Re-domiciliation Effective Date at their own risk. Shareholders may subsequently deposit the New Share Certificates with CDP if they so wish. Shareholders should notify the Share Transfer Agent if there is any change in their address from that reflected in the register of members of the Company.

4. THE PROPOSED ADOPTION OF THE NEW CONSTITUTION

4.1. The New Constitution

The Existing Memorandum of the Company was last altered and registered with the Bermuda Registrar on 1 June 2010, whilst the Existing Bye-Laws were adopted on 10 December 2006 and amended at the Company's subsequent general meetings held on 30 April 2010, 5 December 2011, 19 April 2012 and 29 April 2016. In connection with the Proposed Re-domiciliation, the Company will be required to amend its Existing Memorandum and Existing Bye-Laws, which are currently drafted to comply with the provisions of the Bermuda Companies Act, to bring them in line with the provisions of the Singapore Companies Act. The Company will also use this opportunity to update the Existing Memorandum and Existing Bye-Laws such that the provisions are consistent with the listing rules of the SGX-ST prevailing as at the Latest Practicable Date and in compliance with Rule 730(2) of the Listing Manual. In view of the extensive amendments required to be made to the Existing Memorandum and Existing Bye-Laws, the Company proposes to adopt a New Constitution instead ("**Proposed Adoption of the New Constitution**").

The Proposed Adoption of the New Constitution is subject to Shareholders' approval and will be proposed as a Special Resolution at the SGM, and is also conditional on the Proposed Re-domiciliation being approved by the Shareholders and the other Conditions being satisfied.

The New Constitution is set out in its entirety in Appendix I of this Circular, and has been drafted for compliance with the prevailing provisions of the Singapore Companies Act as well as the Listing Manual.

4.2. Comparison of Existing Bye-Laws and the New Constitution

A summary comparison of the material differences between the provisions of the Existing Bye-Laws and the New Constitution is set out in Appendix III of this Circular for the reference of Shareholders.

5. THE PROPOSED ADOPTION OF THE SHARE BUYBACK MANDATE

5.1. Introduction

Under Singapore law, any purchase or acquisition of Shares by the Company upon its Re-domiciliation would have to be made in accordance with, and in the manner prescribed by, the Companies Act, the Listing Manual and such other laws and regulations as may, for the time being be applicable, and the Company is also required to obtain the approval of the Shareholders at a general meeting if it wishes to purchase or acquire its own Shares.

As the Existing Share Buyback Mandate of the Company was approved by the Shareholders on 25 April 2018 pursuant to the Bermuda Companies Act, the Listing Manual, the Existing Memorandum and the Existing Bye-laws, in connection with the Proposed Re-domiciliation, the Company will be required to adopt the Share Buyback Mandate (which is in line with the provisions of the Singapore Companies Act, the New Constitution, and the Take-over Code) in order for it to be able to continue to purchase or acquire its own Shares upon its Re-domiciliation.

Accordingly, the Company is now seeking Shareholders' approval for the adoption of the Share Buyback Mandate that is subject to the New Constitution, the Listing Manual, the Take-over Code and the Singapore Companies Act to authorise the Directors to buy back Shares representing up to a maximum of 10% of the issued Shares of the Company (excluding treasury shares) as at the date on which the resolution authorising the same is passed or as at the date of the AGM on 25 April 2018, whichever is lower, at a price of up to but not exceeding the Maximum Price, upon its Re-domiciliation in Singapore (the "**Proposed Adoption of the Share Buyback Mandate**").

The Proposed Adoption of the Share Buyback Mandate is subject to Shareholders' approval and will be proposed as an Ordinary Resolution at the SGM, and is also conditional on the passing of the Proposed Re-domiciliation Related Resolutions by the Shareholders.

5.2. Rationale

The rationale for the Company to undertake the Share Buyback is as follows:

- (a) in line with international practice, the Share Buyback Mandate will provide the Company with greater flexibility in managing its capital and maximising returns to its Shareholders;
- (b) to the extent that the Company has capital and surplus funds which are in excess of its possible financial needs, taking into account its growth and expansion plans, the Share Buyback Mandate will facilitate the return of excess cash and surplus funds to Shareholders in an expedient, effective and cost-efficient manner; and
- (c) the Share Buyback Mandate will provide the Company the flexibility to undertake Share repurchases at any time, subject to market conditions, during the period when the Share Buyback Mandate is in force. The purchases or acquisitions may, depending on market conditions at the relevant time, lead to an enhancement of the NAV and/or EPS and would allow the Company to optimally allocate its resources and maximise Share value and is one of the ways through which the return on equity of the Group may be enhanced.

The purchase or acquisition of Shares will only be undertaken if beneficial to the Company and the Shareholders. While the Share Buyback Mandate would authorise a purchase or acquisition of Shares up to the 10% limit described in Section 5.3 of this Circular, Shareholders should note that purchases or acquisitions of Shares pursuant to the Share Buyback Mandate may not be carried out to the full 10% limit as authorised or at all and no purchase or acquisition of Shares will be made in circumstances which would have or may have a material adverse effect on the liquidity and capital adequacy position or financial position of the Company or the Group as a whole and/or will affect the listing status of the Company on the SGX-ST.

5.3. Terms of the Share Buyback Mandate

The authority and limitations placed on purchases of Shares by the Company under the Share Buyback Mandate are summarised below:-

5.3.1. Maximum number of Shares

Only Shares which are issued and fully paid-up may be purchased or acquired by the Company.

The total number of Shares that may be purchased or acquired by the Company is limited to that number of Shares representing not more than 10% of the total number of issued Shares of the Company ascertained as at the date of the SGM at which the Proposed Adoption of the Share Buyback Mandate is approved or as at the date of the AGM on 25 April 2018 ("**Approval Date**"), whichever is lower, unless the Company has effected a reduction of the share capital of the Company in accordance with the applicable provisions of the Singapore Companies Act, at any time during the Relevant Period, in which event the issued ordinary share capital of the Company shall be taken to be the amount of the issued ordinary share capital of the Company as altered excluding any treasury shares and subsidiary holdings that may be held by the Company from time to time. For the purpose of calculating the percentage of the issued Shares above, any of the Shares which are held as treasury shares and subsidiary holdings will be disregarded.

5.3.2. Duration of authority

Purchases or acquisitions of Shares by the Company may be made, at any time and from time to time, on and from the Approval Date, up to the earlier of:-

- (a) the date on which the next AGM is held or required by law to be held;
- (b) the date on which the Share Buybacks are carried out to the full extent mandated; or
- (c) the date on which the authority contained in the Share Buyback Mandate is varied or revoked.

The authority conferred on the Directors by the Share Buyback Mandate to purchase or acquire Shares may be renewed by the Shareholders in a general meeting of the Company, such as at the next AGM or at an extraordinary general meeting to be convened immediately after the conclusion or adjournment of the next AGM. When seeking the approval of the Shareholders for the renewal of the Share Buyback Mandate, the Company is required to disclose details pertaining to purchases or acquisitions of Shares pursuant to the Share Buyback Mandate made during the previous 12 months, including the total number of Shares purchased or acquired, the purchase price per Share or the highest and lowest prices paid for such purchases or acquisitions of Shares, where relevant, and the total consideration paid for such purchases or acquisitions.

5.3.3. Manner of the Share Buyback

5.3.3.1. Purchases or acquisitions of Shares by the Company may be made by way of, *inter alia*:-

- (a) on-market purchases ("**Market Purchase**"), transacted on the SGX-ST through the ready market, and which may be transacted through one or more duly licensed stockbrokers appointed by the Company for the purpose, in accordance with Section 76E of the Singapore Companies Act; and/or
- (b) off-market purchases ("**Off-Market Purchase**") (if effected otherwise than on the SGX-ST) in accordance with an equal access scheme(s) in accordance with Section 76C of the Singapore Companies Act.

5.3.3.2. The Directors may impose such terms and conditions which are not inconsistent with the Share Buyback Mandate, the Listing Manual, the Singapore Companies Act and the New Constitution of the Company, as they consider fit in the interests of the Company in connection with or in relation to any equal access scheme. An equal access scheme must, however, satisfy all of the following conditions:-

- (a) offers for the purchase or acquisition of issued Shares shall be made to every person who holds issued Shares to purchase or acquire the same percentage of their issued Shares;
- (b) all of those persons shall be given a reasonable opportunity to accept the offers made; and

- (c) the terms of all the offers are the same, except that there shall be disregarded:-
 - (i) differences in consideration attributable to the fact that offers may relate to Shares with different accrued dividend entitlements;
 - (ii) (if applicable) differences in consideration attributable to the fact that offers relate to Shares with different amounts remaining unpaid; and
 - (iii) differences in the offers introduced solely to ensure that each such person is left with a whole number of Shares.

5.3.3.3. In addition, the Listing Manual provides that, in making an Off-Market Purchase, the Company must issue an offer document to all Shareholders which must contain at least the following information:-

- (a) the terms and conditions of the offer;
- (b) the period and procedures for acceptances;
- (c) the reasons for the proposed Share Buyback;
- (d) the consequences, if any, of Share Buybacks by the Company that will arise under the Take-over Code or other applicable take-over rules;
- (e) whether the Share Buyback, if made, would have any effect on the listing of the Shares on the SGX-ST;
- (f) details of any Share Buyback made by the Company in the previous 12 months (whether Market Purchases or Off-Market Purchases), giving the total number of Shares purchased, the purchase price per Share or the highest and lowest prices paid for the purchases, where relevant, and the total consideration paid for the purchases; and
- (g) whether the Shares purchased by the Company pursuant to any Share Buybacks will be cancelled or kept as treasury shares.

5.3.3.4. The purchase price (excluding brokerage, stamp duties, applicable goods and services tax and other related expenses) to be paid for the Shares will be determined by the Directors. However, the purchase price to be paid for a Share as determined by the Directors must not exceed:-

- (a) in the case of a Market Purchase, 105% of the Average Closing Price (as defined below); and
- (b) in the case of an Off-Market Purchase pursuant to an equal access scheme, 120% of the Average Closing Price (as defined below),

(“**Maximum Price**”) in either case, excluding related expenses of the purchase.

For the above purposes:-

“**Average Closing Price**” means the average of the closing market prices of a Share over the last five consecutive Market Days, on which transactions in the Shares were recorded, immediately preceding the day of the Market Purchase or, as the case may be, the date of the making of the offer for an Off-Market Purchase pursuant to an equal access scheme, and deemed to be adjusted, in accordance with the Listing Manual, for any corporate action that occurs after the relevant five-day period.

“**Date of the making of the offer**” means the date on which the Company announces its intention to make an offer for an Off-Market Purchase pursuant to an equal access scheme, stating the purchase price (which shall not be more than the Maximum Price calculated on the foregoing basis) for each Share and the relevant terms of the equal access scheme for effecting the Off-Market Purchase.

5.4. Status of purchased Shares under the Share Buyback Mandate

A Share purchased or acquired by the Company is deemed cancelled immediately on purchase or acquisition (and all rights and privileges attached to the Share will expire on such cancellation) unless such Share is held by the Company as a treasury share. Accordingly, the total number of issued Shares will be diminished by the number of Shares purchased or acquired by the Company and which are not held as treasury shares.

5.5. Treasury shares

Under the Singapore Companies Act, Shares purchased or acquired by the Company may be held or dealt with as treasury shares. Some of the provisions on treasury shares under the Singapore Companies Act are authorised below:-

5.5.1. Maximum holdings

The total number of Shares held as treasury shares and subsidiary holdings cannot at any time exceed 10% of the total number of issued Shares.

5.5.2. Voting and other rights

The Company cannot exercise any right in respect of treasury shares. In particular, the Company cannot exercise any right to attend or vote at meetings and for the purposes of the Singapore Companies Act, the Company shall be treated as having no right to vote and the treasury shares shall be treated as having no voting rights.

In addition, no dividend may be paid, and no other distribution of the Company's assets may be made, to the Company in respect of treasury shares. However, the allotment of shares as fully paid bonus shares in respect of treasury shares is permitted under the Singapore Companies Act. Also, a subdivision of any treasury share into a greater number of treasury shares, or a consolidation of treasury shares into a smaller number of treasury shares is permitted under the Singapore Companies Act so long as the total value of the treasury shares after the subdivision or consolidation is the same as before.

5.5.3. Disposal and cancellation

Where Shares are held as treasury shares, the Company may at any time (but subject always to the Take-over Code):-

- (a) sell the treasury shares for cash;
- (b) transfer the treasury shares for the purposes of or pursuant to any share scheme, whether for employees, Directors or other persons;
- (c) transfer the treasury shares as consideration for the acquisition of shares in or assets of another company or assets of a person;
- (d) cancel the treasury shares; or
- (e) sell, transfer or otherwise use the treasury shares for such other purposes as may be prescribed by the Minister for Finance.

In addition, under Rule 704(28) of the Listing Manual, an immediate announcement must be made of any sale, transfer, cancellation and/or use of treasury shares. Such announcement must include details such as the date of the sale, transfer, cancellation and/or use of such treasury shares, the purpose of such sale, transfer, cancellation and/or use of such treasury shares, the number of treasury shares which have been sold, transferred, cancelled and/or used, the number of treasury shares before and after such sale, transfer, cancellation and/or use, the percentage of the number of treasury shares against the total number of Shares (of the same class as the treasury shares) which are listed before and after such sale, transfer, cancellation and/or use and the value of the treasury shares if they are used for a sale or transfer, or cancelled.

5.6. Sources of funds for Share Buyback

The Company intends to utilise its internal funds to finance its purchase or acquisition of the Shares. The Company does not intend to obtain or incur any borrowings to finance its purchase or acquisition of the Shares. The Directors do not propose to exercise the Share Buyback Mandate in a manner and to such extent that it would materially affect the working capital requirements of the Group.

5.7. Financial effects of the Share Buyback

It is not possible for the Company to realistically calculate or quantify the impact of the purchase or acquisitions of Shares that may be made pursuant to the Share Buyback Mandate on the NTA and EPS as the resultant effect will depend on, *inter alia*, how the Shares are purchased or acquired, the aggregate number of Shares purchased or acquired, the price paid for such Shares and whether the Shares purchased or acquired are held as treasury shares or cancelled.

5.7.1. Purchase or acquisition out of capital and/or profits

Under the Singapore Companies Act, purchases or acquisitions of Shares by the Company may be made out of the Company's capital and/or profits so long as the Company is solvent.

Any Share Buyback will:-

- (a) reduce the amount of the Company's share capital where the Shares were purchased or acquired out of the capital of the Company;
- (b) reduce the amount of the Company's profits where the Shares were purchased or acquired out of the profits of the Company; or
- (c) reduce the amount of the Company's share capital and profits proportionately where the Shares were purchased or acquired out of both the capital and the profits of the Company,

by the total amount of the purchase price paid by the Company for the Shares cancelled. The total amount of the purchase price shall include any expenses (including brokerage or commission) incurred directly in the purchase or acquisition of the Shares which is paid out of the Company's capital or profits.

5.7.2. Information as at the Latest Practicable Date

As at the Latest Practicable Date, the Company does not hold any treasury shares.

For illustrative purposes only, based on 1,696,295,038⁽¹⁾ issued Shares (excluding treasury shares and subsidiary holdings) as at the AGM on 25 April 2018 and assuming that no further Shares are issued or repurchased and held as treasury shares or cancelled, on or prior to the SGM, not more than 169,629,503 Shares (representing 10% of the issued Shares (excluding treasury shares and subsidiary holdings) as at the date of the AGM on 25 April 2018) may be purchased or acquired by the Company pursuant to the Share Buyback Mandate.

⁽¹⁾ On 12 October 2018, following the issuance and allotment of 27,547,408 new Shares to eligible shareholders who have elected to participate in the Scrip Dividend Scheme, the number of the Company's issued Shares had increased from 1,696,295,038 to 1,723,842,446. Assuming that no shares are repurchased by the Company up to the date of the SGM, the number of issued Shares in the Company's share capital as at the AGM on 25 April 2018, will be lower than that at the SGM.

5.7.3. Illustrative financial effects

For illustrative purposes only, and on the basis of the assumptions set out below, the financial effects of the:-

- (a) acquisition of Shares by the Company pursuant to the Share Buyback Mandate by way of purchases made out of capital and held as treasury shares; and

- (b) acquisition of Shares by the Company pursuant to the Share Buyback Mandate by way of purchases made out of capital and cancelled,

based on the latest unaudited financial statements of the Company and the Group for the nine months ended 30 September 2018 are set out in the sections below.

The financial effects of the acquisition of Shares by the Company pursuant to the Share Buyback Mandate by way of purchases made out of profits are similar to that of purchases made out of capital. Therefore, only the financial effects of the acquisition of the Shares pursuant to the Share Buyback Mandate by way of purchases made out of capital are set out in this Circular.

5.7.3.1. Purchases made entirely out of capital and held as treasury shares

Market Purchase

For illustrative purposes only, in a Market Purchase, assuming that the Maximum Price is S\$0.128, which is 105% of the Average Closing Price of the Shares over the 5 trading days preceding the Latest Practicable Date on which transactions in the Shares were recorded, the maximum amount of funds required for the purchase of up to 169,629,503 Shares (excluding brokerage, stamp duties, applicable goods and services tax and other related expenses) is S\$21,712,577. Shareholders should note that the financial effects set out above are for illustrative purposes only (based on the foresaid assumptions). In particular, it is important to note that the above analysis is based on historical unaudited financial statements for the nine months ended 30 September 2018 and is not necessarily representative of future financial performance.

Although the Share Buyback Mandate would authorise the Company to purchase or acquire up to 10% of the issued Shares, the Company may not necessarily purchase or acquire or be able to purchase or acquire the entire 10% of the issued Shares. In addition, the Company may, subject to the requirements of the Singapore Companies Act, cancel all or part of the Shares repurchased or hold all or part of the Shares repurchased as treasury shares.

Shareholders who are in doubt as to their tax positions or any tax implications in their respective jurisdictions should consult their own professional advisers.

5.8. Listing rules

The Listing Manual specifies that a listed company shall report all purchases or acquisitions of its shares to the SGX-ST not later than 9.00 a.m., (a) in the case of a Market Purchase, on the Market Day following the day of purchase or acquisition of any of its shares; and (b) in the case of an Off-Market Purchase under an equal access scheme, on the second Market Day after the close of acceptances of the offer. Such announcement currently requires the inclusion of details of the date of purchase, the total number of shares purchased or acquired, the number of shares cancelled, the number of shares held as treasury shares, the purchase price per share or the highest and lowest prices paid for such shares (as applicable), the total consideration (including stamp duties and clearing charges) paid or payable for the shares, the number of shares purchased as at the date of announcement (on a cumulative basis), the number of issued shares excluding treasury shares and the number of treasury shares held after the purchase.

While the Listing Manual does not expressly prohibit any purchase of shares by a listed company during any particular time or times, because the listed company would be regarded as an “insider” in relation to any proposed purchase or acquisition of its issued Shares, the Company will not undertake any purchase or acquisition of Shares pursuant to the proposed Share Buyback Mandate at any time after a price sensitive development has occurred or has been the subject of a decision until the price sensitive information has been publicly announced. In particular, in compliance with Rule 1207(19) of the Listing Manual, the Company would not purchase or acquire any Shares through Market Purchases during the period of two weeks and one month immediately preceding the announcement of the Company's quarterly financial statements and the annual (full-year) results respectively.

The Listing Manual requires a listed company to ensure that at least 10% of any class of its listed securities must be held by public shareholders. As at the Latest Practicable Date, approximately 85.66% of the issued Shares, excluding treasury shares are held by public Shareholders. The word “public” is defined in the Listing Manual as persons other than directors, the chief executive officer, Substantial Shareholders or controlling shareholders of the listed company and its subsidiaries, as well as the associates of such persons.

As at the Latest Practicable Date and assuming the Company undertakes purchases or acquisitions of its Shares up to the full 10% limit pursuant to the Share Buyback Mandate, approximately 84.10% of the issued Shares will be held by public Shareholders. Accordingly, the Company is of the view that there is a sufficient number of the Shares in issue held by public Shareholders which would permit the Company to undertake purchases or acquisitions of its Shares up to the full 10% limit pursuant to the Share Buyback Mandate without affecting the listing status of the Shares on the SGX-ST, and that the number of Shares remaining in the hands of the public will not fall to such a level as to cause market illiquidity or to affect orderly trading.

5.9. Take-over obligations

Appendix 2 of the Take-over Code contains the Share Buyback Guidance Note applicable as at the Latest Practicable Date. The take-over implications arising from any purchase or acquisition by the Company of its Shares are set out below:-

5.9.1. Obligation to make a take-over offer

If, as a result of any purchase or acquisition by the Company of its Shares, a Shareholder's proportionate interest in the voting capital of the Company increases, such increase will be treated as an acquisition for the purposes of Rule 14 of the Take-over Code. If such increase results in a change of effective control, or, as a result of such increase, a Shareholder or group of Shareholders acting in concert obtains or consolidates effective control of the Company, such Shareholder or group of Shareholders acting in concert could become obliged to make a mandatory take-over offer for the Company under Rule 14 of the Take-over Code.

5.9.2. Persons acting in concert

Under the Take-over Code, persons acting in concert comprise individuals or companies who, pursuant to an agreement or understanding (whether formal or informal), cooperate, through the acquisition by any of them of shares in a company, to obtain or consolidate effective control of that company.

Unless the contrary is established, the following persons will, *inter alia*, be presumed to be acting in concert, namely:-

- i. a company with any of its directors (together with their close relatives, related trusts as well as companies controlled by any of the directors, their close relatives and related trusts);
- ii. a company with its parent company, subsidiaries, its fellow subsidiaries, any associated companies of the above companies, and any company whose associated companies include any of the above companies. For this purpose, a company is an associated company of another company if the second company owns or controls at least 20% but not more than 50% of the voting rights of the first-mentioned company;

- iii. a company with any of its pension funds and employee share schemes;
- iv. a person with any investment company, unit trust or other fund in respect of the investment account which such person manages on a discretionary basis but only in respect of the investment account which such person manages;
- v. a financial or other professional adviser, with its clients in respect of the shareholdings of the adviser and the persons controlling, controlled by or under the same control as the adviser and all the funds which the adviser manages on a discretionary basis, where the shareholding of the adviser and any of those funds in the client total 10% or more of the client's equity share capital;
- vi. directors of a company, together with their close relatives, related trusts and companies controlled by any of them, which is subject to an offer or where they have reason to believe a bona fide offer for their company may be imminent;
- vii. partners; and
- viii. an individual, his close relatives, his related trusts, any person who is accustomed to act according to the instructions and companies controlled by any of the above and any person who has provided financial assistance (other than a bank in the ordinary course of business) to any of the foregoing persons and/or entities for the purchase of voting rights.

The circumstances under which Shareholders of the Company (including the Directors) and persons acting in concert with them respectively will incur an obligation to make a take-over offer under Rule 14 of the Take-over Code after a purchase or acquisition of Shares by the Company are set out in Appendix 2 of the Take-over Code.

5.9.3. Effect of Rule 14 and Appendix 2 of the Take-over Code

In general terms, the effect of Rule 14 and Appendix 2 of the Take-over Code is that, unless exempted, the Directors and persons acting in concert with them will incur an obligation to make a take-over offer for the Company under Rule 14 of the Take-over Code if, as a result of the Company purchasing or acquiring its Shares, the voting rights of such Directors and their concert parties would increase to 30% or more, or if the voting rights of such Directors and their concert parties fall between 30% and 50% of the Company's voting rights, the voting rights of such Directors and their concert parties would increase by more than 1% in any period of six months. In calculating the percentage of voting rights of such Directors and their persons acting in concert with them, treasury shares shall be excluded.

Under Appendix 2 of the Take-over Code, a Shareholder not acting in concert with the Directors will not be required to make a take-over offer under Rule 14 of the Take-over Code if, as a result of the Company purchasing or acquiring its Shares, the voting rights of such Shareholder in the Company would increase to 30% or more, or, if such Shareholder holds between 30% and 50% of the Company's voting rights, the voting rights of such Shareholder would increase by more than 1% in any period of six months. Such Shareholder need not abstain from voting in respect of the resolution authorising the Share Buyback Mandate.

The interests of the respective Directors and Substantial Shareholder(s) of the Company, and where applicable, their relationship with respect of each other as at the Latest Practicable Date, are set out in Section 8 of this Circular below.

Shareholders are reminded that those who are in doubt as to their obligations, if any, to make a mandatory take-over offer under the Take-over Code as a result of Share Buybacks by the Company should consult the SIC and/or their professional advisers at the earliest opportunity.

For illustrative purposes only, based on information available to the Company as at the Latest Practicable Date, the shareholdings of the respective Directors and Substantial Shareholder(s) of the Company before and after the purchase or acquisition of Shares pursuant to the Share Buyback Mandate, assuming that (i) the Company purchases or acquires the maximum of 10% of the total number of issued Shares as at the Latest Practicable Date; (ii) there is no change in the number of Shares held by the respective Directors and Substantial Shareholder(s) of the Company as at the Latest Practicable Date; (iii) there are no further issue of Shares; and (iv) no Shares are held by the Company as treasury shares on or prior to the AGM, will be as follows:-

Name	Total Interest (Direct and Indirect)			
	Before the Share Buyback ^[1]	%	After the Share Buyback ^[2]	%
Directors				
Boon Swan Foo	237,935,707	13.803	237,935,707	15.309

Jason See Yong Kiat	9,082,061	0.527	9,082,061	0.584
Substantial Shareholder(s)				
Boon Swan Foo	237,935,707	13.803	237,935,707	15.309

Note(s):

^[1] Based on the total number of 1,723,842,446 issued Shares as at the Latest Practicable Date.

^[2] Based on the total number of 1,554,212,943 issued Shares, assuming that the Company purchases the maximum number of 169,629,503 Shares under the Share Buyback Mandate.

As at the Latest Practicable Date, none of the Directors or Substantial Shareholder(s) of the Company would become obliged to make a general offer to other Shareholders under Rule 14 and Appendix 2 to the Singapore Take-over Code as a result of a purchase by the Company of the maximum limit of 10% of the total number of issued Shares pursuant to the proposed Share Buyback Mandate. The Directors are not aware of any potential Shareholder(s) who may become obligated to make a mandatory offer, as a result of the relevant increase in the percentage of their shareholding interest in the Company, in the event that the Company purchases and cancels the maximum number of 169,629,503 Shares under the Share Buyback Mandate. As at the Latest Practicable Date, the only Substantial Shareholder of the Company, who is also a Director of the Company, is Mr Boon Swan Foo who holds 237,935,707 Shares representing approximately 13.803% of the total number of issued Shares as at the Latest Practicable Date and representing approximately 15.309% of the total number of issued Shares assuming that the Company purchases and cancels the maximum number of 169,629,503 Shares under the Share Buyback Mandate.

Shareholders are advised to consult their professional advisers and/or the SIC and/or the relevant authorities at the earliest opportunity as to whether an obligation to make a take-over offer would arise by reason of any Share purchases or acquisitions by the Company pursuant to the Share Buyback Mandate.

5.10. Share purchases in the previous 12 months

The Company has not purchased or acquired any Shares under the Existing Share Buyback Mandate approved by the Shareholders at the annual general meeting of the Company held on 25 April 2018, in the previous 12 months prior to the Latest Practicable Date.

6. THE PROPOSED ADOPTION OF THE SHARE ISSUE MANDATE

6.1. Introduction

Under Singapore law, any issuance of Shares by the Company upon its Re-domiciliation would have to be made in accordance with, and in the manner prescribed by, the Companies Act, the Listing Manual and such other laws and regulations as may, for the time being applicable.

As the Existing Share Issue Mandate of the Company was approved by the Shareholders on 25 April 2018 pursuant to the Bermuda Companies Act, the Listing Manual, the Existing Memorandum and the Existing Bye-laws, in connection with the Proposed Re-domiciliation, the Company will be required to adopt the Share Issue Mandate (which is in line with the provisions of the Singapore Companies Act and the New Constitution) in order for the Directors to be able to issue Shares upon the Company's Re-domiciliation.

Accordingly, the Company is now seeking Shareholders' approval for the adoption of the Share Issue Mandate that is subject to the New Constitution, the Listing Manual, and the Singapore Companies Act to authorise the Directors to issue Shares, upon its Re-domiciliation in Singapore ("**Proposed Adoption of the Share Issue Mandate**").

Accordingly, the Directors propose to obtain Shareholders' approval at the SGM for the Proposed Adoption of the Share Issue Mandate to authorise the Directors to:

- (a) issue Shares in the capital of the Company (whether by way of rights, bonus or otherwise); and/or
- (b) make or grant offers, agreements or options (collectively, "**Instruments**") that might or would require Shares to be issued, including but not limited to the creation and issue of (as well as adjustments to) options, warrants, debentures or other instruments convertible or exchangeable into Shares; and/or
- (c) (notwithstanding the authority conferred by this Ordinary Resolution may have ceased to be in force) issue Shares in pursuance of any Instruments made or granted by the Directors of the Company while this Ordinary Resolution was in force,

at any time and upon such terms and conditions and for such purposes and to such persons as the Directors may in their absolute discretion deem fit, from the Re-domiciliation Effective Date.

The Proposed Adoption of the Share Issue Mandate is subject to Shareholders' approval and will be proposed as an Ordinary Resolution at the SGM, and is also conditional on the passing of the Proposed Re-domiciliation Related Resolutions by the Shareholders.

6.2. Rationale

A general share issue mandate pursuant to Rule 806 of the Listing Manual and Section 161 of the Singapore Companies Act, if granted by Shareholders, will empower the Directors to issue and allot Shares and/or convertible securities within the express limits of the mandate during the validity of such mandate, without seeking any further approval from Shareholders.

A general (as opposed to a specific) approval for the Directors to issue Shares and/or convertible securities of the Company under the Share Issue Mandate will enable the Company to act quickly and take advantage of market conditions upon its Re-domiciliation in Singapore.

6.3. Limits of the Share Issue Mandate

The aggregate number of Shares that may be issued pursuant to the Share Issue Mandate (including Shares to be issued pursuant to any Instrument but excluding shares which may be issued pursuant to any adjustments (“**Adjustments**”), which Adjustment shall be made in compliance with the provisions of the Listing Manual (unless such compliance has been waived by the SGX-ST) and the Singapore Companies Act for the time being in force, and the New Constitution for the time being of the Company), shall not exceed 50% of the total number of issued Shares (excluding treasury shares) as at the time of passing of the resolution for the Existing Share Issue Mandate at the AGM on 25 April 2018, of which the aggregate number of Shares to be issued other than on a pro-rata basis to existing Shareholders of the Company shall not exceed 18% of the total number of issued Shares (excluding treasury shares) and will be adjusted by any Shares issued pursuant to the Existing Share Issue Mandate obtained at the AGM dated 25 April 2018, if any.

Subject to such manner of calculation as may be prescribed by the SGX-ST, for the purpose of determining the aggregate number of Shares that may be issued (including Shares to be issued in pursuance of the Instruments, made or granted pursuant to this authority), the total number of issued Shares (excluding treasury shares) shall be based on the total issued Shares (excluding treasury shares) as at the time of passing of the resolution at the AGM on 25 April 2018, after adjusting for:

- (a) new Shares arising from the conversion or exercise of any convertible securities outstanding;
- (b) new Shares arising from exercising share options or vesting of share awards outstanding and/or subsisting as at the date of SGM, provided the share options or share awards (as the case may be) were granted in compliance with the provisions of the Listing Manual, if any; and
- (c) any subsequent bonus issue, consolidation or subdivision of Shares.

Additionally, in exercising the authority to issue Shares, the Company will comply with the provisions of the Listing Manual for the time being in force (unless such compliance has been waived by the SGX-ST) and all applicable legal requirements under the Singapore Companies Act and the New Constitution for the time being of the Company.

As at the AGM on 25 April 2018, the Company had 1,696,295,038 Shares in issue and the maximum number of Shares that can be issued other than on a pro-rata basis to the Shareholders is 305,333,106 Shares, being 18% of the Shares in issue (assuming no Share is issued or repurchased after the Latest Practicable Date and up to the passing of the resolution to approve the Share Issue Mandate) and after adjustment is made for the Shares issued pursuant to the Existing Share Issue Mandate obtained at the AGM dated 25 April 2018, if any.

6.4. Duration of the Share Issue Mandate

The Share Issue Mandate, which is to be tabled as an Ordinary Resolution at the SGM, if approved by Shareholders, shall take force and effect from the Re-domiciliation Effective Date. The Share Issue Mandate shall continue in force until the conclusion of the next AGM of the Company or the date by which the next AGM is required to be held by law or the New Constitution of the Company, whichever is earlier, unless prior thereto, the Share Issue Mandate is carried out to the full extent mandated or the Share Issue Mandate is revoked or varied by the Company in a general meeting.

7. THE PROPOSED AUTHORISATION OF DIRECTORS TO ISSUE SHARES PURSUANT TO THE SCRIP DIVIDEND SCHEME

7.1. Introduction

The Existing Scrip Dividend Scheme of the Company was last amended on 14 August 2012 following the recommendations of CDP pursuant to, *inter alia*, the Bermuda Companies Act, the Listing Manual, the Existing Memorandum and the Existing Bye-laws. In connection with the Proposed Re-domiciliation and subject to the requisite regulatory approvals, the Company will amend the Existing Scrip Dividend Scheme to be in line with the provisions of the Singapore Companies Act and the New Constitution in order for it to continue to issue Shares in lieu of cash dividend upon the Re-domiciliation of the Company.

Accordingly, the Company is now seeking Shareholders' approval for the authority to be given to the Directors to allot and issue New Shares under the Scrip Dividend Scheme with effect from the Re-domiciliation Effective Date, pursuant to Section 161 of the Singapore Companies Act, conditional upon the Company's Re-domiciliation in Singapore (the "**Proposed Authorisation of Directors to issue Shares pursuant to the Scrip Dividend Scheme**").

Regulation 138A of the New Constitution enables Shareholders to elect to receive New Shares credited as fully paid in lieu of all or part only of the cash amount of the dividend to which the Scrip Dividend Scheme applies. Regulation 138A can be found in Appendix I of this Circular.

Specific details of the restated Scrip Dividend Scheme are set out in Appendix IV of this Circular. The amendments made to the Existing Scrip Dividend Scheme are set out in Appendix V of this Circular.

Shares issued pursuant to the Scrip Dividend Scheme will not be subject to the limits on the aggregate number of Shares that may be issued pursuant to the Share Issue Mandate.

7.2. Rationale

The Scrip Dividend Scheme will enable Shareholders to continue to acquire additional Shares without having to incur transaction or other related costs upon the Company's Re-domiciliation. The Company will also benefit from the participation by Shareholders in the Scrip Dividend Scheme as, to the extent that Shareholders elect to receive dividends in the form of Shares, the cash which would otherwise be payable by way of dividends may be retained to fund the continuing growth and expansion of the Company. The retention of cash and the issue of Shares in lieu of all or part only of the cash dividends under the Scrip Dividend Scheme will also enlarge the Company's share capital base and strengthen its working capital.

7.3. Shareholders' Approval

The Proposed Authorisation of Directors to issue Shares pursuant to the Scrip Dividend Scheme is subject to Shareholders' approval and will be proposed as an Ordinary Resolution at the forthcoming SGM, conditional on the approval of the Proposed Re-domiciliation Related Resolutions by the Shareholders.

8. INTERESTS OF DIRECTORS AND SUBSTANTIAL SHAREHOLDER(S)

10. SPECIAL GENERAL MEETING

10.1. Special General Meeting

The SGM, notice of which is set out on pages 160 - 165 of this Circular, will be held at Holiday Inn Singapore Orchard City Centre, Crystal Suite, Level 2, 11 Cavenagh Road, Singapore 229616 on 31 December 2018 at 10.00 a.m. for the purpose of considering and, if thought fit, passing with or without any modifications, the Proposed Resolutions set out in the Notice of SGM.

10.2. Inter-conditionality of the Proposed Re-domiciliation Related Resolutions and the conditionality of the Proposed Mandates

Shareholders' approvals for all of the Proposed Re-domiciliation Related Resolutions are required in order for each such resolution to successfully complete. The Proposed Re-domiciliation Related Resolutions are therefore inter-conditional upon each other. In addition, Shareholders' approvals for the Proposed Re-domiciliation Related Resolutions are also required in order for each of the Proposed Mandates to successfully complete as the Proposed Mandates are each conditional upon the passing of the Proposed Re-domiciliation Related Resolutions.

Shareholders are advised to consider carefully how they will cast their votes in respect of each of the Proposed Re-domiciliation Related Resolutions as set out in the Notice of SGM. If any of the approvals relating to the Proposed Re-domiciliation Related Resolutions is not obtained, all of the Proposed Re-domiciliation Related Resolutions and the Proposed Mandates would be taken as not having been approved and the Company will not proceed with the Proposed Re-domiciliation and the Proposed Mandates. If this occurs, the Company will not be able to meet its objectives and obtain the benefits as set out in Section 3.2 of this Circular.

However, even if the approvals relating to the Proposed Re-domiciliation Related Resolutions are obtained, the Proposed Mandates must each be approved separately. If any of the Proposed Mandates fails to receive Shareholders' approval, the specific Proposed Mandate itself will not be passed.

The Proposed Re-domiciliation is also subject to the approval of ACRA, the BMA, the Bermuda Registrar and/or any other relevant authorities. There is no assurance that the necessary approvals for the Proposed Re-domiciliation will be granted by ACRA, the BMA, the Bermuda Registrar and/or any other relevant authorities. If the Company is unable to obtain the necessary approvals from ACRA, the BMA, the Bermuda Registrar and/or any other relevant authorities as may be required, it will not be able to proceed with the Proposed Re-domiciliation.

10.3. Effective Date of the Proposed Share Premium Reduction

Following the SGM, in the event Shareholders' approval for the Proposed Share Premium Reduction is obtained, an announcement will be issued by the Company to confirm the Share Premium Reduction Effective Date to be the date of the SGM or such other date as the Directors of the Company may determine.

10.4. Effective Date of the Re-domiciliation

Following the SGM, in the event Shareholders' approval for each of the Proposed Re-domiciliation Related Resolutions is obtained, the Company shall submit an application to ACRA to register the Company in Singapore and expects to know the outcome of its application within 2 months from submission of its application. Where the Company's application to ACRA is successful, ACRA will issue its approval, a notice of transfer of registration and a certificate of confirmation of registration to the Company (together, the "**Instruments of Continuance**"), and the Company shall be deemed to be registered in Singapore from the Re-domiciliation Effective Date.

On or before the Re-domiciliation Effective Date, the Company will file a notice of discontinuance with the Bermuda Registrar to discontinue the Company's registration in Bermuda. Within 30 days from the date of issue of the Instruments of Continuance, the Company must file copies of the Instruments of Continuance with the Bermuda Registrar, upon which the Bermuda Registrar will issue a certificate of discontinuance. The effective date of the Company's discontinuance from Bermuda shall be the Re-domiciliation Effective Date.

The Company will inform the relevant authorities, regulatory bodies and third parties of the changes arising from the implementation of the Proposed Re-domiciliation Related Resolutions, and will make further announcement(s) on SGXNET to keep Shareholders updated on any material development in respect of the Proposed Resolutions, as and when appropriate.

The completion and return of the Proxy Form by such Shareholder will not prevent him from attending the SGM and voting in person in place of his proxy should he subsequently wish to do so. Only Shareholders whose names are entered on the register of members and who are entitled to attend and vote at a general meeting of the Company will receive a Proxy Form together with this Circular. A proxy need not be a Shareholder.

- Without prejudice to the generality of Regulation 45:
- (1) the lien or charge extends to all dividends and bonuses declared in respect of the shares but, if the Company registers a transfer of any shares on which it has a lien or charge without giving the transferee notice of any claim it may have at that time, the shares are freed and discharged from the lien or charge of the Company in respect of that claim.
 - (2) the Company may do all things necessary or appropriate under the listing rules of the Exchange and the Settlement Rules in order to protect or enforce any lien or charge.

The offer shall be made by notice specifying the number of shares offered, and limiting a time within which the offer, if not accepted, will be deemed to be declined, and, after the expiration of that time, or on the receipt of an intimation from the person to whom the offer is made that he declines to accept the shares offered, the Directors may dispose of those shares in a manner as they think most beneficial to the Company. The Directors may likewise dispose of any new shares which (by reason of the ratio which the new shares bear to shares held by persons entitled to an offer of new shares) cannot, in the opinion of the Directors, be conveniently offered under this Regulation. |

APPENDIX I

(2) Notwithstanding Regulation 51(1) above but subject to the Act, the Directors shall not be required to offer any new shares to Members to whom by reason of foreign securities laws such offers may not be made without registration of the shares or a prospectus or other document, but to sell the entitlements to the new shares on behalf of such Members in such manner as they think most beneficial to the Company.

Except so far as otherwise provided by the conditions of issue or by this Constitution, any capital raised by the creation of new shares shall be considered part of the original ordinary capital of the Company and shall be subject to the provisions of the Act and this Constitution with reference to allotments, payment of calls, lien, transfer, transmission, forfeiture and otherwise.

- (i) consolidate and/or divide all or any of its share capital;
- (ii) subdivide its shares or any of them (subject, nevertheless, to the provisions of the Act and this Constitution), provided always that in such subdivision the proportion between the amount paid and the amount (if any) unpaid on each reduced share shall be the same as it was in the case of the share from which the reduced share is derived;
- (iii) cancel any shares which, at the date of the passing of the resolution, have been forfeited and diminish its share capital in accordance with the Act; and
- (iv) subject to the provisions of this Constitution, the Act and the applicable laws and regulations, convert its share capital or any class of shares from one currency to another currency.

Power to convert class of shares (2) The Company may by Special Resolution or as otherwise permitted under the applicable laws and regulations, and subject to the provisions of this Constitution, convert any class of shares into any other class of shares.

Any shares so purchased by the Company shall, unless held by the Company as treasury shares in accordance with the Act, be deemed to be cancelled immediately on purchase or acquisition by the Company. On the cancellation of any share as aforesaid, the rights and privileges attached to that share shall expire. In any other instance, the Company may hold and/or deal with any such share which is so purchased or acquired by it in such manner as may be permitted by, and in accordance with, the Act.

APPENDIX I

Without prejudice to the generality of the foregoing, upon the cancellation of any share purchased or otherwise acquired by the Company pursuant to this Constitution or the Act, the number of issued shares of the Company shall be diminished by the number of shares so cancelled, and where any such cancelled share was purchased or acquired out of the capital of the Company, the amount of share capital of the Company shall be reduced accordingly.

STOCK

The holders of stock may transfer the same or any part thereof in the same manner and subject to this Constitution as and subject to which the shares from which the stock arose might previous to conversion have been transferred or as near thereto as circumstances admit but no stock shall be transferable except in such units as the Directors may from time to time determine.

Rights of stockholders 57. The holders of stock shall, according to the number of stock units held by them, have the same rights, privileges and advantages as regards dividend, return of capital, voting and other matters as if they held the shares from which the stock arose, but no such privilege or advantage (except as regards dividend and return of capital and the Assets on winding up) shall be conferred by any such number of stock units which would not if existing in shares have conferred that privilege or advantage, and no such conversion shall affect or prejudice any preference or other special privileges attached to the shares so converted.

APPENDIX I

- Taking a poll and appointment of scrutineers 70. If a poll is duly demanded (and the demand is not withdrawn) or is required pursuant to Regulation 69(1), it shall be taken in such manner (including the use of ballot, voting papers or tickets or electronic means) as the Chairman may direct and the result of a poll shall be deemed to be the resolution of the Meeting at which the poll was taken. The Chairman may, and if so requested or required by the listing rules of any securities exchange upon which the shares of the Company may be listed shall, appoint scrutineers and may adjourn the General Meeting to some place and time fixed by him for the purpose of declaring the result of the poll. The number of scrutineer(s), qualifications and duties shall be in accordance with the listing rules of such securities exchange. The appointed scrutineer(s) shall be independent of the persons undertaking the polling process. Where the appointed scrutineer is interested in the resolution(s) to be passed at the General Meeting, it shall refrain from acting as the scrutineer for such resolution(s). The appointed scrutineer shall exercise the following duties:
- (i) ensuring that satisfactory procedures of the voting process are in place before the General Meeting; and
 - (ii) directing and supervising the count of the votes cast through proxy and in person.
- Votes counted in error 71. If any votes are counted which ought not to have been counted or might have been rejected, the error shall not vitiate the result of the voting unless it is pointed out at the same General Meeting or at any adjournment thereof, and unless in the opinion of the Chairman at the Meeting or at any adjournment thereof, as the case may be, it shall be of sufficient importance to vitiate the result of the voting.
72. If an amendment proposed to any resolution under consideration is ruled out of order by the chairman of the meeting, the proceedings on the resolution shall not be invalidated by any error in the ruling.
- Time for taking a poll 73. A poll demanded on any question shall be taken either immediately or at such subsequent time (not being more than thirty (30) days from the date of the General Meeting) and place as the Chairman may direct. No notice need to be given of a poll not taken immediately.
- Continuance of business after demand for a poll 74. The demand for a poll shall not prevent the continuance of a General Meeting for the transaction of any business, other than the question on which the poll has been demanded.
- Voting rights of Members 75. (1) Subject and without prejudice to any special privileges or restrictions as to voting for the time being attached to any special class of shares for the time being forming part of the capital of the Company and to Regulation 9, each Member entitled to vote may vote in person or by proxy or attorney, and (in the case of a corporation) by a representative.
- On a show of hands every Member who is present in person or by proxy or attorney, or in the case of a corporation by a representative, shall have one (1) vote provided that if a Member is not a relevant intermediary and is represented by two (2) proxies, only one (1) of the two (2) proxies as determined by their appointor shall vote on a show of hands and in the absence of such determination, only one (1) of the two (2) proxies as determined by the Chairman (or by a person authorised by him) shall vote on a show of hands and if a Member is a relevant intermediary and is represented by two (2) or more proxies, each proxy shall be entitled to vote on a show of hands.

APPENDIX I

On a poll, every Member who is present in person or by proxy, attorney or representative shall have one (1) vote for each share which he holds or represents. Provided Always That notwithstanding anything contained in this Constitution, a Depositor shall not be entitled to attend any General Meeting and to speak and vote thereat unless his name is certified by the Depository to the Company as appearing on the Depository Register as at 72 hours before that General Meeting (the “**cut-off time**”) as a Depositor on whose behalf the Depository holds shares in the Company.

For the purpose of determining the number of votes which a Depositor or his proxy may cast on a poll, the Depositor or his proxy shall be deemed to hold or represent that number of shares entered in the Depositor’s Securities Account at the cut-off time as certified by the Depository to the Company, or where a Depositor has apportioned the balance standing to his Securities Account as at the cut-off time between two (2) proxies, to apportion the said number of shares between the two (2) proxies in the same proportion as specified by the Depositor in appointing the proxies; and accordingly no instrument appointing a proxy of a Depositor shall be rendered invalid merely by reason of any discrepancy between the number of shares standing to the credit of that Depositor’s Securities Account as at the cut-off time, and the true balance standing to the Securities Account of a Depositor as at the time of the relevant General Meeting, if the instrument is dealt with in such manner as aforesaid.

Voting in respect of shares of different monetary denominations		(2) Where the capital of the Company consists of shares of different monetary denominations, voting rights may, at the discretion of the Board of Directors, be prescribed in such manner that a unit of capital in each class, when reduced to a common denominator, shall carry the same voting power when such right is exercisable.
Voting rights of joint holders	76.	Where there are joint holders of any share any one (1) of such persons may vote and be reckoned in a quorum at any General Meeting either personally or by proxy or by attorney or in the case of a corporation by a representative as if he were solely entitled thereto but if more than one (1) of such joint holders is so present at any General Meeting then the person present whose name stands first in the Register of Members or the Depository Register (as the case may be) in respect of such share shall alone be entitled to vote in respect thereof. Several executors or administrators of a deceased Member in whose name any share stands shall for the purpose of this Regulation be deemed joint holders thereof.
Voting rights of mentally disordered Members	77.	If a Member be mentally disordered and incapable of managing himself or his affairs, he may vote whether on a show of hands or on a poll by his committee, <i>curator bonis</i> or such other person as properly has the management of his estate and any such committee, <i>curator bonis</i> or other person may vote by proxy or attorney, provided that such evidence as the Directors may require of the authority of the person claiming to vote shall have been deposited at the Office not less than seventy-two (72) hours before the time appointed for holding the General Meeting.
Right to vote	78.	Subject to the provisions of this Constitution, unless the Directors otherwise determine, no Member either personally or by attorney or in the case of a corporation by a representative and no proxy shall be entitled to be present and to vote at any General Meeting and to be reckoned in the quorum, unless all calls or other sums presently payable by the Shareholder in respect of shares in the Company have been paid.
Objections	79.	No objection shall be raised to the qualification of any voter except at the General Meeting or adjourned Meeting at which the vote objected to is given or tendered and every vote not disallowed at such General Meeting shall be valid for all purposes. Any such objection made in due time shall be referred to the Chairman of the General Meeting whose decision shall be final and conclusive.

APPENDIX I

- Votes on a poll 80. On a poll votes may be given either personally or by proxy or by attorney or in the case of a corporation by its representative and a person entitled to more than one (1) vote need not use all his votes or cast all the votes he uses in the same way.
- Appointment of proxies 81. (1) Save as otherwise provided in the Act, a Member who is not a relevant intermediary may appoint not more than two (2) proxies to attend and vote at the same General Meeting and a Member who is a relevant intermediary may.

- (i) to reject any instrument of proxy lodged if the Depositor is not shown to have any shares entered in its Securities Account as at the cut-off time as certified by the Depository to the Company; and
- (ii) to accept as validly cast by the proxy or proxies appointed by the Depositor on a poll that number of votes which corresponds to or is less than the aggregate number of shares entered in its Securities Account of that Depositor as at the cut-off time as certified by the Depository to the Company, whether that number is greater or smaller than the number specified in any instrument of proxy executed by or on behalf of that Depositor.
- (3) Where a Member who is not a relevant intermediary appoints more than one (1) proxy, he shall specify the proportion of his shareholding to be represented by each proxy in the form of proxy. If no such proportion or number is specified the first named proxy may be treated as representing 100% of the shareholding and any second named proxy as an alternate to the first named.
- (4) Where a Member who is a relevant intermediary appoints more than two (2) proxies, each proxy must be appointed to exercise the rights attached to a different share or shares held by such Member. Where such Member's form of proxy appoints more than two (2) proxies, the number and class of shares in relation to which each proxy has been appointed shall be specified in the form of proxy.
- (5) Voting right(s) attached to any shares in respect of which a Member has not appointed a proxy may only be exercised at the relevant General Meeting by the Member personally or by his attorney, or in the case of a corporation by its representative.
- (6) Where a Member appoints a proxy in respect of more shares than the shares standing to his name in the Register of Members, or in the case of a Depositor, standing to the credit of that Depositor's Securities Account, such proxy may not exercise any of the votes or rights of the shares not registered to the name of that Member in the Register of Members or standing to the credit of that Depositor's Securities Account as at the cut-off time, as the case may be.
- (7) A Member who has deposited an instrument appointing any number of proxies to vote on his behalf at a General Meeting shall not be precluded from attending and voting in person at that General Meeting. Any such appointment of all the proxies concerned shall be deemed to be revoked upon the attendance of the Member appointing the proxy/proxies at the relevant General Meeting.
- Proxy need not be a Member 82. A proxy or attorney need not be a Member, and shall be entitled to vote on a show of hands on any question at any General Meeting.

An instrument appointing a proxy shall, unless the contrary is stated thereon, be valid as well for any adjournment of the Meeting as for the Meeting to which it relates Provided that an instrument of proxy relating to more than one (1) meeting (including any adjournment thereof) having once been so delivered for the purposes of any meeting shall not be required again to be delivered for the purposes of any subsequent meeting to which it relates. An instrument of proxy shall be deemed to include the power to demand or concur in demanding a poll on behalf of the appointor to move any resolution or amendment thereto and to speak at the Meeting. Unless otherwise instructed, a proxy shall vote as he thinks fit.

COMPARISON OF COMPANY LAW OF SINGAPORE AND BERMUDA

The following table sets forth a summary of certain material differences between the provisions of the laws of Bermuda applicable to companies incorporated in Bermuda under the Bermuda Companies Act and the laws of Singapore applicable to companies incorporated in Singapore under the Singapore Companies Act, as well as their respective shareholders. The summaries below are not to be regarded as advice on Bermuda and Singapore corporate law or the differences between the laws of the two jurisdictions, or with any other jurisdictions. The summaries below do not purport to be a comprehensive nor exhaustive description of all the differences between the company laws of Bermuda and Singapore and, in any event, they are (unless expressly stated otherwise) prepared based only on a general comparison on a non-exhaustive basis as to whether there are equivalent provisions in respect of the expressed provisions of the Bermuda Companies Act relative to the Singapore Companies Act and do not take into account any common law or judicial interpretations affecting the Bermuda Companies Act and the Singapore Companies Act. The summaries below do not purport to be complete and are qualified in their entirety by reference to the Bermuda Companies Act, the Singapore Companies Act and the Existing Bye-laws of the Company. In addition, Shareholders should also note that the laws applicable to companies may change, whether as a result of proposed legislative reforms in Singapore, Bermuda or otherwise. The summaries below do not describe the regulations and requirements prescribed by the Listing Manual of the SGX-ST. The comparison below should not be taken as a comprehensive and exhaustive description of all the rights and privileges of shareholders conferred by the laws of Bermuda and Singapore, respectively. Shareholders who are in doubt as to their position are advised to seek independent legal advice.

Material differences between the provisions of the Bermuda Companies Act and the Singapore Companies Act

Bermuda

The Constitution of the Company

The memorandum of association and the bye-laws together form the constitution of a company.

Shares

Shares of a company may not be issued at a price per share less than the par value per share. Shares of no par value are not permitted.

Powers of Directors to allot and issue shares

Nothing in the Bermuda Companies Act requires the prior approval of a company in general meeting before directors may allot and issue shares. However, the bye-laws of the company may contain additional provisions in respect of issuance of shares.

Singapore

The Constitution of the Company

Since the amendments to the Singapore Companies Act in 2014, the constitutive documents of the company are now referred to as the "constitution" of the company as opposed to the "memorandum of association" and the "articles of association".

Shares

Shares of a company incorporated pursuant to the Singapore Companies Act have no par or nominal value, and there is no concept of a share premium.

Powers of Directors to allot and issue shares

The power to issue shares in a company is usually vested with the directors of that company subject to any restrictions in the constitution of that company. However, notwithstanding anything to the contrary in the constitution of a company, prior approval of the company at a general meeting is required to authorise the directors to exercise any power of the company to issue shares, or the share issue is void under the Singapore Companies Act. Such approval need not be specific but may be general and, once given, will only continue in force until the conclusion of the next annual general meeting or the expiration of the period within which the next annual general meeting is required by law to be held, whichever is the earlier.

APPENDIX II

Bermuda

Power of Directors to Dispose of the Company's or any of its Subsidiaries' Assets

The Bermuda Companies Act contains no specific restriction on the power of directors to dispose of the company's or its subsidiaries' assets, although it specifically requires that every officer of a company in exercising his powers and discharging his duties must act honestly and in good faith with a view to the best interests of the company and exercise the care, diligence and skill that a reasonably prudent person would exercise in comparable circumstances. Furthermore, the Bermuda Companies Act requires that every officer should comply with the Bermuda Companies Act, regulations passed pursuant to the Bermuda Companies Act and the bye-laws of the company.

The term "officer" is defined in the Bermuda Companies Act to include director and secretary in relation to a body corporate.

Loans to Directors

The Bermuda Companies Act prohibits a company from:

- (i) making a loan to any of its directors (or any director of its holding company) or to his spouse or children or to companies (other than a company which is a holding company or a subsidiary of the company making the loan, or as the case may be, the company entering into any guarantee or providing any security in connection with a loan made to such director, his spouse or children by any other person) in which they own or control directly or indirectly more than twenty per cent (20%) of the capital or loan debt, or
- (ii) entering into any guarantee or providing any security in connection with a loan made to such persons as aforesaid by any other person, without the consent of any member or members holding in aggregate not less than nine-tenths of the total voting rights of all members having the right to vote at any meeting of the members of the company.

These prohibitions do not apply to anything done to provide a director with funds to meet expenditure incurred or to be incurred by him for the purposes of the company or for the purpose of enabling him properly to perform his duties as an officer of the company, provided that the company gives its prior approval at a general meeting or, if not, the loan, guarantee or security is made or given on condition that it will be repaid or discharged, as the case may be, within six (6) months of the next following

Singapore

Power of Directors to Dispose of the Company's or any of its Subsidiaries' Assets

The Singapore Companies Act provides that the business of a company is to be managed by or under the direction or supervision of the directors. The directors may exercise all the powers of a company except any power that the Singapore Companies Act or the constitution of the company require the company to exercise in general meeting.

Under the Singapore Companies Act, prior approval of the company at a general meeting is required before the directors can carry into effect any proposals for disposing of the whole or substantially the whole of the company's undertaking or property, notwithstanding anything in a company's constitution.

Loans to Directors

A company (other than an exempt private company) shall not:

- (a) make a loan or quasi-loan to a director of the company or a director of a related company (either one being a "relevant director") (or to the spouse or natural, step or adopted children of a relevant director);
- (b) enter into any guarantee or provide any security in connection with a loan or quasi-loan made to a relevant director (or to the spouse or natural, step or adopted children of a relevant director) by any other person;

- (d) enter into any guarantee or provide any security in connection with a credit transaction entered into by any person for the benefit of a relevant director (or the spouse or natural, step or adopted children of a relevant director);
- (e) take part in an arrangement under which another person enters into a transaction which would be prohibited and that person, in pursuance of the arrangement, obtains a benefit from the company or a related company; or
- (f) arrange the assignment to or assumption by the company of any rights, obligations or liabilities under a transaction that, if it had been

If the approval of the company is not given for the loan, guarantee or security as aforesaid, the directors who authorised it will be jointly and severally liable to indemnify the company against any loss arising therefrom.

except in the following circumstances (subject to, *inter alia*, the approval of the company in a general meeting):

- (iv) the transaction is made to or for the benefit of a relevant director in the ordinary course of business of a company whose ordinary business includes the lending of money or the giving of guarantees in connection with loans, quasi-loans or credit transactions made or entered into by other persons if the activities of that company are regulated by any written law relating to banking, finance companies or insurance or are subject to supervision by the Monetary Authority of Singapore (the "**MAS**").

For these purposes, a related company of a company means its holding company, its subsidiary and a subsidiary of its holding company.

A company (the "**first mentioned company**") (other than an exempt private company) shall not:

- (a) make loans or quasi-loans to connected persons;
- (b) enter into any guarantee or provide any security in connection with a loan or quasi-loan made to connected persons by a third-party;

APPENDIX II

Bermuda

Giving of Financial Assistance to Purchase the Company's or its Holding Company's Shares

The Bermuda Companies Act does not (pursuant to amendments made to the Bermuda Companies Act with effect from 18 December 2011) prohibit the giving of financial assistance in connection with the acquisition of a company's own shares or that of its holding company. Accordingly, a company may provide financial assistance if the directors of the company consider, in accordance with their fiduciary duties to the company, that such assistance can properly be given. However, the bye-laws of the company may contain additional provisions in respect of the giving of such financial assistance.

Singapore

- (c) enter into a credit transaction as creditor for the benefit of a connected person; or

Connected persons of the first mentioned company include companies or limited liability partnerships in which the director(s) of the first mentioned company are interested in twenty percent (20%) or more of the total voting power (as determined in accordance with the Singapore Companies Act). This prohibition does not apply to:

- (i) anything done by a company where the other company (whether that company is incorporated in Singapore or otherwise) is its subsidiary, holding company or a subsidiary of its holding company; or
- (ii) a company whose ordinary business includes the lending of money or the giving of guarantees in connection with loans made by other persons, to anything done in the ordinary course of that business if the activities of that company are regulated by any written law relating to banking, finance companies or insurance or are subject to supervision by the MAS.

Giving of Financial Assistance to Purchase the Company's or its Holding Company's Shares

A public company or a company whose holding company or ultimate holding company is a public company is prohibited from giving any financial assistance, whether directly or indirectly, for the purpose of, or in connection with, the acquisition or proposed acquisition by any person, whether before or at the same time as the giving of financial assistance, of shares or units of shares in the company, or shares or units of shares in its holding company or ultimate holding company, as the case may be, of the company.

include a distribution of a company's assets by way of dividends lawfully made.

The Singapore Companies Act further provides that a company can give financial assistance for the purpose of, or in connection with, an acquisition by a person of shares or units of shares in the company or in a holding company or ultimate holding company, as the case may be, of the company if it complies with certain requirements and, *inter alia*, a special resolution is passed approving the provision of the financial assistance for the purpose of or in connection with, that acquisition. Where the company is a subsidiary of a listed corporation or the company is not a subsidiary of a listed corporation but is a subsidiary whose ultimate holding company is incorporated in Singapore, the listed corporation or the ultimate holding company, as the case may be, is also required to pass a special resolution to approve the giving of the financial assistance.

Disclosure of Interest in Contracts with the Company

The Singapore Companies Act provides that, where a director or chief executive officer of a company is in any way, whether directly or indirectly, interested in a transaction or proposed transaction with that company, the director or chief executive officer must, as soon as is practicable after the relevant facts have come to his knowledge, declare the nature of his interest at a meeting of directors of the company or send a written notice to the company containing details on the nature, character and extent of his interest in the transaction or proposed transaction with the company. For these purposes, an interest of a member of a director's or chief executive officer's family (as the case may be) (this includes his spouse, natural, step or adopted children) is treated as an interest of that director.

The Singapore Companies Act also provides that every director or chief executive officer of a company who holds any office or possesses any property whereby, whether directly or indirectly, any duty or interest might be created in conflict with their duties or interests as director or chief executive officer (as the case may be) shall declare at a meeting of the directors of the company the fact and the nature, character and extent of the conflict or send a written notice to the company setting out the fact and the nature, character and extent of the conflict. For this purpose, an interest of a member of a director's or chief executive officer's family (as the case may be) (this includes his spouse, natural, step or adopted children) shall be treated as an interest of the director or chief executive officer.

APPENDIX II

Bermuda

Remuneration

The Bermuda Companies Act does not contain any provision relating to the payment of remuneration or emoluments to directors. However, the bye-laws of the company may contain additional provisions in respect of such remuneration or emoluments to directors.

Appointment, Qualification, Retirement, Resignation, Removal of Directors

Qualification and Appointment of Directors

Under the Bermuda Companies Act, the affairs of a company must be managed by at least one director who shall be a person elected in the first place at the statutory meeting and thereafter at each annual general meeting of the company or elected or appointed by the members in such other manner and for such term as may be provided in the bye-laws. Further, a company must satisfy certain "Bermuda representation" requirements by having (a) a minimum of one director, other than an alternate director, who is ordinarily resident in Bermuda or, (b) a secretary that is an individual or a company, and who is ordinarily resident in Bermuda or, (c) a resident representative that is an individual or a company, and who is ordinarily resident in Bermuda. Sole directors and corporate directors are permitted.

There is no limitation on the maximum number of directors; however, members of the company may at a general meeting determine a maximum number and may authorise the directors to elect or appoint on their behalf a person or persons to act as additional directors up to the maximum determined by the members of the company. Further, so long as there is a quorum of directors in office, any vacancy on a board of directors left unfilled by the shareholders in general meeting and any vacancy arising during the term of the directors may be filled by the directors unless the bye-laws provide otherwise.

The directors of a company are not required under the Bermuda Companies Act to hold any qualifying shares in the company.

Singapore

Remuneration

The Singapore Companies Act provides that a company shall not at any meeting or otherwise provide emoluments or improve emoluments for a director of a company in respect of his office unless the provision is approved by a resolution that is not related to other matters, and any resolution passed in breach of this provision is void.

For these purposes, the term "emoluments" in relation to a director includes fees and percentages, any sums paid by way of expenses allowance in so far as those sums are charged to income tax in Singapore, any contribution paid in respect of a director under any pension scheme, and any benefits received by him otherwise than in cash in respect of his services as a director.

Appointment, Qualification, Retirement, Resignation, Removal of Directors

Qualification and Appointment of Directors

Under the Singapore Companies Act, every company shall have at least one director who is ordinarily resident in Singapore. Where the company has only one member, that sole director may also be the sole member of the company.

No person other than a natural person who has attained the age of 18 years and who is otherwise of full legal capacity shall be a director of a company.

Every director, who is by the constitution required to hold a specified share qualification and who is not already qualified, shall obtain his qualification within two months after his appointment or such shorter period as is fixed by the constitution.

In the case of a public company, a motion for the appointment of two or more persons as directors by a single resolution shall not be made unless a resolution that it shall be so made has first been agreed to by the meeting without any vote being given against it.

A vacancy created by the removal of a director of a public company, if not filled at the meeting at which he is removed, may be filled as a casual vacancy.

APPENDIX II

Bermuda

Disqualification of Directors

Section 94 of the Bermuda Companies Act provides, *inter alia*, that if any person being an undischarged bankrupt in any country acts as director of, or directly or indirectly takes part in or is concerned in the management of, any company except with the leave of the Supreme Court of Bermuda, he shall be liable on conviction on indictment to imprisonment for a term of two (2) years, or on summary conviction to imprisonment for a term of six (6) months or to a fine of five hundred (500) Bermuda dollars or to both such imprisonment and fine.

Further, section 95 of the Bermuda Companies Act provides, *inter alia*, that where any court convicts any person of an offence relating to the affairs of a company which, in the opinion of such court, involves dishonesty it may order that such person shall not directly or indirectly take part in or be concerned in the management of any company without leave of the Supreme Court of Bermuda.

Resignation of Directors

The Bermuda Companies Act does not contain any specific provision which prevents a director from resigning or vacating his office or which otherwise relates to how a director may resign. However, the bye-laws of the company may contain additional provisions in respect of resignation of directors.

Singapore

Disqualification of Directors

Under the Singapore Companies Act, a person may not act as a director of, or directly or indirectly take part in or be concerned in the management of, any corporation, if he is an undischarged bankrupt (whether he was adjudged bankrupt by a Singapore Court or a foreign court having jurisdiction in bankruptcy) except with the leave of the Singapore courts or the written permission of the Official Assignee to do so.

A person may be disqualified from acting as a director of a company by the Singapore courts for a period not exceeding five (5) years if (a) he is or has been a director of a company which has at any time gone into liquidation (whether while he was a director or within three (3) years of his ceasing to be a director) and was insolvent at that time; and (b) his conduct as director of that company either taken alone or taken together with his conduct as a director of any other company makes him unfit to be a director of or in any way, whether directly or indirectly, be concerned in, or take part in, the management of a company.

A person may, subject to certain exceptions, also be disqualified from acting as a director by the Singapore courts for a period of three (3) years if he is a director of a company which is ordered to be wound up by the Singapore courts on the ground that it is being used for purposes against national security or interest.

He could also be disqualified on other grounds such as conviction of any offence (whether in Singapore or elsewhere) involving fraud or dishonesty punishable with imprisonment for (3) three months or more, or because of persistent default in relation to delivery of documents to the Registrar of Companies appointed under the Singapore Companies Act (the "**Registrar of Companies**").

Resignation of Directors

Under the Singapore Companies Act, a director of a company shall not resign or vacate his office unless there is remaining in the company at least (1) one director who is ordinarily resident in Singapore, and any purported resignation or vacation of office in breach of this provision is deemed to be invalid.

Subject to the provisions of the Singapore Companies Act, unless the constitution of a company otherwise provides, a director of a company may resign by giving the company notice in writing of his resignation.

APPENDIX II

Bermuda

Removal of Directors

Subject to the bye-laws of a company, the members of such company may at a special general meeting called for that purpose remove a director provided that the necessary notice and other requirements are satisfied in accordance with the relevant provisions of the Bermuda Companies Act.

Mergers and Similar Arrangements

Merger

The Bermuda Companies Act allows for an application to the Supreme Court of Bermuda to be made by a company for a compromise or arrangement between the company and its members or creditors. Where an application is made to the Supreme Court under section 99 for the sanctioning of a compromise or arrangement proposed between a company and any such persons as are mentioned in that section, and it is shown to the Supreme Court that the compromise or arrangement has been proposed for the purposes of or in connection with a scheme for the reconstruction of any company or companies and that under the scheme the whole or any part of the undertaking or the property of any company concerned in the scheme (referred to as "a transferor company") is to be transferred to another company (referred to as "the transferee company"), the Supreme Court may, subject to section 101(2) of the Bermuda Companies Act, either by the order sanctioning the compromise or arrangement or by any subsequent order, make provision for, *inter alia*, the transfer to the transferee company of the whole or any part of the undertaking and of the property or liabilities of any transferor company.

Under Bermuda law, two (2) or more companies may amalgamate and continue as one company. Whilst the separate corporate existence of each of the amalgamating companies ceases, all the amalgamating companies continue their existence as constituent parts of the amalgamated company. No one amalgamating company can be said to be the sole survivor although the amalgamated company is

Singapore

Removal of Directors

A director of a public company may be removed before the expiration of his period of office by an ordinary resolution (which requires special notice to be given in accordance with the provisions of the Singapore Companies Act) of the shareholders, notwithstanding anything in the constitution of that company or in any agreement between that company and the director but where any director so removed was appointed to represent the interests of any particular class of shareholders or debenture holders, the resolution to remove him shall not take effect until his successor has been appointed.

Subject to the provisions of the Singapore Companies Act, the constitution of a company may prescribe the manner in which a director may be removed from office before the expiration of his term of office.

Mergers and Similar Arrangements

Merger

The Singapore Companies Act provides that the Singapore courts have the authority, in connection with a scheme for the reconstruction of any company or companies or the amalgamation of any two (2) or more companies and that under the scheme the whole or any part of the undertaking or the property of any company concerned in the scheme (the transferor company) is to be transferred to another company (the transferee company), to, *inter alia*, order the transfer to the transferee company of the whole or any part of the undertaking and of the property or liabilities of the transferor company either by the order approving the compromise or arrangement or by any subsequent order. In this regard, "company" means any body corporate formed or incorporated or existing in Singapore or outside Singapore (including any foreign company but excluding, *inter alia*, any limited liability partnership or registered trade union), and which is liable to be wound up under the Singapore Companies Act.

APPENDIX II

Bermuda

the only resulting entity. In practical terms, the effect of an amalgamation is that the assets and liabilities of the amalgamating companies become the assets and liabilities of the amalgamated company.

The Bermuda Companies Act also allows two or more companies to merge and their undertaking, property and liabilities shall vest in one of such companies as the surviving company.

Conversion

There is no formal distinction under the Bermuda Companies Act between the notion of a public company and a private company.

Subject to the relevant provisions of the Bermuda Companies Act, a company which is registered as a company limited by shares may be re-registered as an unlimited liability company and a company which is registered as an unlimited liability company may, by resolution passed at a general meeting of members of the company, be re-registered as a company limited by shares or by guarantee.

Shareholders' Suits

Class actions and derivative actions are generally not available to members under the laws of Bermuda. The Bermuda courts, however, would ordinarily be expected to permit a member to commence an action in the name of a company to remedy a wrong done to the company where the act complained of is alleged to be beyond the corporate power of the company or is illegal or would result in the violation of the company's memorandum of association and bye-laws. Further, consideration would be given by the Bermuda court to acts that are alleged to constitute a fraud against the minority members or, for instance, where an act requires the approval of a greater percentage of the company's members than that which actually approved it.

Section 111 of the Bermuda Companies Act provides, *inter alia*, that any member of a company who complains that the affairs of the company are being conducted or have been conducted in a manner oppressive or prejudicial to the interests of some part of the members, including himself, may petition the Bermuda court which may, if it is of the opinion that to wind up the company would unfairly prejudice that part of the members but that otherwise the facts would justify the making of a winding up order on just and equitable grounds, make such order as it thinks fit, whether for regulating the conduct of the company's affairs in future or for the purchase of shares of any members of the company by other members of the company or by the company itself and in the case of a purchase by the company itself,

Singapore

Conversion

The Singapore Companies Act provides that a private company, subject to its constitution, may be converted to a public company and vice versa by, *inter alia*, passing a special resolution. A limited company could be converted into an unlimited company and vice versa by complying with the provisions in the Singapore Companies Act.

Shareholders' Suits

A member or a holder of a debenture of a company may apply to the Singapore courts for an order under Section 216 of the Singapore Companies Act to remedy situations where:

- (i) the affairs of the company are being conducted or the powers of the company's directors are being exercised in a manner oppressive to one (1) or more of the members or holders of debentures including himself or in disregard of his or their interests as members, shareholders or holders of debentures of the company; or
- (ii) the company has done an act, or threatens to do an act, or some resolution of the members, holders of debentures or any class of them has been passed or is proposed which unfairly discriminates against or is otherwise prejudicial to one (1) or more of the members or holders of debentures (including the applicant).

If on such an application the Singapore courts is of the opinion that either such grounds is established, the Singapore courts may with a view to bringing to an end or remedying the matters complained of, make such order as it thinks fit and, without prejudice to the generality of the foregoing, *inter alia*, direct or prohibit any act or cancel or vary any transaction or resolution, provide that the company be wound up, or authorise civil proceedings to be brought in the name of or on behalf of the company by such person or persons and on such terms as the court directs.

APPENDIX II

Bermuda

for the reduction accordingly of the company's capital, or otherwise. Section 161 also provides that the company may be wound up by the Bermuda court, if the court is of the opinion that it is just and equitable to do so. Both these provisions are available to minority members seeking relief from the oppressive conduct of the majority, and the Bermuda court has wide discretion to make such orders as it thinks fit.

Except as mentioned above, claims against a company by its members must be based on the general laws of contract or tort applicable in Bermuda.

A statutory right of action is conferred under section 31 of the Bermuda Companies Act on subscribers of shares in a company against persons, including directors and officers, responsible for the issue of a prospectus in respect of loss or damage suffered by reason of any untrue statement therein, but this confers no right of action against the company itself. In addition, such company, as opposed to its members, may take action against its officers including directors, for breach of their statutory and fiduciary duty to act honestly and in good faith with a view to the best interests of the company.

Directors' Fiduciary Duties

Section 97(1) of the Bermuda Companies Act provides that every officer of a company in exercising his powers and discharging his duties shall (a) act honestly and in good faith with a view to the best interests of the company; and (b) exercise the care, diligence and skill that a reasonably prudent person would exercise in comparable circumstances.

Section 97(5A) of the Bermuda Companies Act clarifies that an officer is not liable under section 97(1) of the Bermuda Companies Act if he relies in good faith upon (a) financial statements of the company represented to him by another officer of the company; or (b) a report of an attorney, accountant, engineer, appraiser or other person whose profession lends credibility to a statement made by him.

The duties and obligations of a director of a Bermuda company comprise not only those in the Bermuda Companies Act but also those found in common law as applied in Bermuda. Decisions of the English and other commonwealth courts are highly persuasive in Bermuda. (The Supreme Court of Bermuda is the court of first instance in Bermuda, exercising unlimited jurisdiction. An appeal lies, as a matter of right, from a decision of the Supreme Court of Bermuda to the Court of Appeal for Bermuda and thereafter, in more limited circumstances, to the Privy Council in London.)

Singapore

In addition, a member of a company who is seeking relief for damage done to the company may bring a common law derivative action on the company's behalf in certain circumstances against the persons who have done wrong to the company.

Further, Section 216A of the Singapore Companies Act prescribes a procedure to bring a statutory derivative action or arbitration in the name and on behalf of the company or intervene in an action or arbitration to which the company is a party for the purpose of prosecuting, defending or discontinuing the action or arbitration on behalf of the company. The statutory derivative action or arbitration is available to, *inter alia*, a member of a company and any other person who, in the discretion of the court, is a proper person to make an application under Section 216A of the Singapore Companies Act.

Directors' Fiduciary Duties

Every director by virtue of his office occupies a fiduciary position with respect to the company. The fiduciary relationship is similar to that of a principal and agent relationship. This relationship arises from the fact that a company being an artificial person can only act through the agency of natural persons. Such being the case, a company can only act through agents, i.e., its individual directors and its board of directors, and it is the duty of the "agents" to act in the best interests of the company. Accordingly, a director is not permitted to place himself in a situation where his interests conflict with his duty. A director is required under the Singapore Companies Act to declare any direct or indirect interest which he has in any transaction or proposed transaction with the company. Duties are imposed upon any person who becomes a director of a company and breaches of these duties may lead to criminal or civil liabilities. Such duties are governed by statute and common law. Such duties include (without limitation) duties of care and skill and duties to act in good faith in the best interest of the company, as well as the statutory duty under the Singapore Companies Act to act honestly and to use reasonable diligence in the discharge of the duties of his office at all times.

APPENDIX II

Bermuda

Shareholder Action by Written Consent and Convening of Extraordinary General Meeting on Requisition

Section 77A of the Bermuda Companies Act provides, *inter alia*, that subject to the bye-laws of the company, anything which may be done by resolution of a company in general meeting or by resolution of a meeting of any class of the members of a company (other than (a) a resolution relating to the removal of any auditor before the expiration of his term of office; or (b) a resolution passed for the purpose of removing a director before the expiration of his term of office), may be done by resolution in writing.

Under section 79 of the Bermuda Companies Act and subject to the satisfaction of the requirements set out in section 80, (a) members representing not less than one-twentieth of the total voting rights of all the members having the right to vote or (b) not less than one hundred (100) members of the company, are able to requisition for notice to be given to members of the company entitled to receive notice of the next annual general meeting, of any resolution which may properly be moved and is intended to be moved at that meeting, and/or make the company circulate to members any statement of not more than one thousand (1,000) words with respect to the matter referred to in any proposed resolution or the business to be dealt with at that meeting.

Further, section 74 of the Bermuda Companies Act provides that notwithstanding anything in its bye-laws, members holding not less than one-tenth of the paid-up capital of a company may requisition for a general meeting. The directors must forthwith proceed duly to convene a special general meeting (by giving the usual requisite notice) upon receiving such a requisition. If the directors fail to convene the meeting as requisitioned with twenty one (21) days from the date of the deposit of the requisition, the requisitionists (or any of them representing more than one half of the total voting rights of all of them) may themselves convene a meeting.

Singapore

Shareholder Action by Written Consent and Convening of Extraordinary General Meeting on Requisition

Notwithstanding any other provisions of the Singapore Companies Act, a private company or an unlisted public company may pass any resolution by written means in accordance with the provisions of the Singapore Companies Act. There is no corresponding provision in the Singapore Companies Act which applies to a listed public company.

Under the Singapore Companies Act, any number of members representing not less than five percent (5%) of the total voting rights of all the members having at the date of requisition a right to vote at a meeting to which the requisition relates or not less than one hundred (100) members holding shares in the company on which there has been paid up an average sum, per member, of not less than five hundred Singapore dollars (S\$500), may at their own expense, requisition the company to circulate notice of any proposed resolution and a statement of not more than one thousand (1,000) words with respect to the matter referred to in the proposed resolution or the business to be dealt with at that meeting to members entitled to receive notice of the next annual general meeting notice.

Notwithstanding anything in the company's constitution, members holding not less than ten percent (10%) of the total number of paid up shares of the company may requisition for an extraordinary general meeting in accordance with the provisions of the Singapore Companies Act. The directors must immediately proceed to duly convene the extraordinary general meeting to be held as soon as practicable, but in any case not later than two (2) months, after the receipt by the company of the requisition.

Two or more members holding not less than (ten percent (10%) of the total number of issued shares of the company (excluding treasury shares) or, if the company has not a share capital, not less than five percent (5%) in number of members of the company or such lesser number as is provided by the constitution of the company may also call a meeting of the company in accordance with the provisions of the Singapore Companies Act.

Bermuda

Transactions with Interested Shareholders

The Bermuda Companies Act does not contain any specific provision relating to transactions with interested shareholders.

Dissolution; Winding Up

Dissolution

Where an application is made to the Supreme Court under section 99 of the Bermuda Companies Act for the sanctioning of a compromise or arrangement proposed between a company and any such persons as are mentioned in that section, and it is shown to the court that the compromise or arrangement has been proposed for the purposes of or in connection with a scheme for the reconstruction of any company or companies and that under the scheme the whole or any part of the undertaking or the property of the transferor company is to be transferred to the transferee company, the court may, subject to section 101(2) of the Bermuda Companies Act, either by the order sanctioning the compromise or arrangement or by any subsequent order, make provision for, *inter alia*, the dissolution, without winding up, of any transferor company.

Section 200(1) of the Bermuda Companies Act provides that when the affairs of a company have been completely wound up, the Supreme Court of Bermuda, if the liquidator makes an application in that behalf, shall make an order that the company be dissolved from the date of the order, and the company shall be dissolved accordingly.

Under section 261 of the Bermuda Companies Act, where the Registrar of Companies has reasonable cause to believe that a company is not carrying on business or is not in operation, he may, after following the procedure as provided in that section, strike the name of the company off the register and publish notice thereof in an appointed newspaper, and on such publication the company shall be dissolved.

An application may also be made on a company's behalf by all of its directors or by a majority of them to the Registrar under section 261A of the Bermuda Companies Act, to strike the company's name off the register on such grounds on such grounds and subject to such conditions as may be prescribed by the Registrar.

Singapore

Transactions with Interested Shareholders

The Singapore Companies Act does not impose compliance requirements relating to transactions with interested shareholders. The compliance requirements imposed on a company listed on the SGX-ST under the Listing Manual of the SGX-ST, insofar as transactions with interested persons are concerned, apply to that company regardless of whether such company is incorporated in Singapore or elsewhere.

Dissolution; Winding Up

Dissolution

A company incorporated in Singapore may be dissolved:

- (i) through the process of liquidation pursuant to the winding up of the company;
- (ii) in a merger or amalgamation of two (2) companies where the court may order the dissolution of one after its assets and liabilities have been transferred to the other; or
- (iii) when it is struck off the register by the Registrar of Companies on the ground that it is a defunct company.

APPENDIX II

Bermuda

Winding up

A company may be wound up by the Bermuda court on application presented by the company itself, its creditors or its contributories. The Bermuda court has authority to order winding up in a number of specified circumstances including where it is, in the opinion of the Bermuda court, just and equitable to do so.

A company may also be wound up voluntarily when the members so resolve in general meeting, or, in the case of a limited duration company, when the period fixed for the duration of the company by its memorandum expires, or the event occurs on the occurrence of which the memorandum provides that the company is to be dissolved. In the case of a voluntary winding up, such company is obliged to cease to carry on its business from the time of passing the resolution for voluntary winding up or upon the expiry of the period or the occurrence of the event referred to above except so far as may be required for the beneficial winding up thereof. Upon the appointment of a liquidator, the responsibility for the company's affairs rests entirely in his hands and no future executive action may be carried out without his approval.

Where, on a voluntary winding up, a majority of directors make a statutory declaration of solvency, the winding up will be a members' voluntary winding up. In any case where such declaration has not been made, the winding up will be a creditors' voluntary winding up.

Variation of Rights of Shares

Section 47 of the Bermuda Companies Act provides, *inter alia*, that if in the case of a company the share capital of which is divided into different classes of shares, provision is made by the memorandum or bye laws for authorizing the variation of rights attached to any class of shares in the company, subject to the consent of any specified proportions of the holders of the issued shares of that class or the sanction of a resolution passed at a separate meeting of the holders of those shares, and in pursuance of the said provision the rights attached to any such class of shares are at any time varied, the holders of not less in the aggregate than ten percent (10%) of the issued shares of that class, may apply to the Supreme Court of Bermuda to have the variation cancelled, and, where any such application is made, the variation shall not have effect unless and until it is confirmed by the Bermuda court. On any such application the

The winding up of a company may be done in the following ways:

- (i) members' voluntary winding up;
- (ii) creditors' voluntary winding up;
- (iii) court compulsory winding up;
- (iv) an order made pursuant to Section 216 of the Singapore Companies Act for the winding up of the company.

The type of winding up depends, *inter alia*, on whether the company is solvent or insolvent.

Variation of Rights of Shares

Under the Singapore Companies Act, if a provision is made in the constitution of a company for authorising the variation or abrogation of the rights attached to any class of shares in the company, subject to the consent of any specified proportion of the holders of the issued shares of that class or the sanction of a resolution passed at a separate meeting of the holders of those shares, and in pursuance of that provision the rights attached to any such class of shares are at any time varied or abrogated, the holders of not less in the aggregate than five percent (5%) of the total number of issued shares of that class may apply to the Singapore courts to have the variation or abrogation cancelled, and, if any such application is made, the variation or abrogation shall not have effect until confirmed by the Singapore courts. Amendment of Constitutional Documents

Alteration of constitution

Section 12 of the Bermuda Companies Act provides that subject to the provisions of that section, a company may, by resolution passed at a general meeting of members of which due notice has been given, alter the provisions of its memorandum of association. Where a company is authorized by a general meeting, it may, pursuant to section 45(1)(a) of the Bermuda Companies Act, alter the conditions of its memorandum of association to (i) increase its share capital by new shares of such amount as it thinks expedient; (ii) change the currency denomination of its share capital; or (iii) cancel shares which, at the date of the passing of the resolution in that behalf, have not been taken or agreed to be taken by any person, and diminish the amount of its share capital by the amount of the shares so cancelled. Where it is authorized by a general meeting or by its bye-laws, a company may, pursuant to section 45(1)(b) of the Bermuda Companies Act, alter the conditions of its memorandum of association to (i) divide its shares into several classes and attach thereto respectively any preferential, deferred, qualified or special rights, privileges or conditions; (ii) consolidate and divide all or any of its share capital into shares of larger amount than its existing shares; (iii) subdivide its shares, or any of them, into shares of smaller amount than is fixed by the memorandum, so, however, that in the subdivision the proportion between the amount paid and the amount, if any, unpaid on each reduced share shall be the same as it was in the case of the share from which the reduced share is derived; or (iv) make provision for the issue and allotment of shares which do not carry any voting rights.

Section 13(5) of the Bermuda Companies Act further provides that the directors of a company may after its registration amend the bye-laws but any such amendment shall be submitted to a general meeting of the company, and shall become operative only to such extent as they are approved at such meeting.

and any other persons who apply to the Singapore courts to be heard and appear to the Singapore courts to be interested), if satisfied having regard to all circumstances of the case that the variation or abrogation would unfairly prejudice the shareholders of the class represented by the applicant, disallow the variation or abrogation, and shall, if not so satisfied, confirm it.

Amendment of Constitutional Documents

Alteration of constitution

Unless otherwise provided in the Singapore Companies Act, a company's constitution may be altered or added to by way of special resolution, except with respect to (i) any entrenching provision in the constitution, and (ii) any provision contained in the constitution of the company immediately before 1 April 2004 which could not be altered under the provisions of the Singapore Companies Act in force immediately before that date and which may be altered only if all members of the company agree. For these purposes, the term "entrenching provision" means a provision of the constitution of a company to the effect that other provisions of the constitution (a) may not be altered in the manner provided by the Singapore Companies Act, or (b) may not be so altered except by a resolution passed by a specific majority greater than seventy five percent (75%), or where other specified conditions are met.

Any alteration or addition to the constitution shall, subject to the Singapore Companies Act, be deemed to form part of the original constitution on and from the date of the special resolution or such later date as is specified in the resolution.

APPENDIX II

Bermuda

Companies' Purchase of Own Shares

A mutual fund company shall, if authorised by its memorandum of association or bye-laws, have power to redeem or purchase for cancellation its issued shares at the option of the company or at the option, or on the request, of a member. A mutual fund, on the redemption or purchase of its own shares, may (a) repay the capital paid up on such shares out of paid in capital, share premium or other reserves of the company; and (b) pay the premium, if any, out of realised or unrealised profits, share premium or other reserves of the company, on such terms and in such manner and at such price as may be determined having regard to the asset value of such shares as ascertained in accordance with the bye-laws of the mutual fund. The redemption or purchase of its own shares by a mutual fund shall not be taken as reducing its authorized share capital and a mutual fund shall have power to issue shares equal in aggregate par value to the aggregate par value of the shares so redeemed or purchased as if those shares had never been issued.

Treasury Shares

A mutual fund company is not allowed to hold treasury shares. Shares purchased or acquired by a mutual fund company are deemed cancelled immediately on purchase or acquisition (and all rights and privileges attached to the shares will expire on such cancellation).

Singapore

Companies' Purchase of Own Shares

Subject to the Singapore Companies Act, a company may purchase or otherwise acquire ordinary shares or stocks or preference shares issued by the company if the company is expressly permitted to do so by the company's constitution and provided that the purchase or acquisition is made out of the company's capital or profits so long as the company is solvent. The total number of ordinary shares and stocks in any class that may be purchased or acquired by a company during the relevant period shall not exceed twenty percent (20%) of the total number of ordinary shares and stocks of the company in that class ascertained as at the date of any resolution ("**relevant resolution**") passed to approve a purchase or acquisition of the company's shares

- (i) by way of an off-market acquisition pursuant to an equal access scheme,
- (ii) by way of a selective off-market acquisition,
- (iii) under a contingent purchase contract or
- (iv) by way of a market acquisition.

For these purposes, the term "relevant period" means the period commencing from the date a relevant resolution is passed and expiring on the date the next annual general meeting is or is required by law to be held, whichever is the earlier.

Treasury Shares

Where ordinary shares or stocks are purchased or otherwise acquired by a company in accordance with sections 76B to 76G of the Singapore Companies Act, the company may:

- (a) hold the shares or stocks (or any of them); or
- (b) deal with any of them, at any time, in accordance with Section 76K of the Singapore Companies Act, (1) sell the shares (or any of them) for cash; (2) transfer the shares (or any of them) for the purposes of or pursuant to any share scheme, whether for employees, directors or other persons; (3) transfer the shares (or any of them) as consideration for the acquisition of shares in or assets of another company or assets of a person; (4) cancel the shares (or any of them); or (5) sell, transfer or otherwise use the treasury shares for such other purposes as the Minister may by order prescribe.

APPENDIX II

Bermuda

Dividends

A mutual fund company may declare or pay a dividend, or make a distribution out of contributed surplus, as long as the company is, or would after the payment be, able to pay its liabilities as they become due.

Singapore

Where a company has shares of only one class, the aggregate number of shares held as treasury shares shall not at any time exceed ten percent (10%) of the total number of shares of the company at that time. Where the share capital of a company is divided into shares of different classes, the aggregate number of the shares of any class held as treasury shares shall not at any time exceed ten percent (10%) of the total number of the shares in that class at that time.

The company shall not exercise any right in respect of the treasury shares and any purported exercise of such a right is void.

Dividends

Under the Singapore Companies Act, no dividend shall be payable to the members of a company except out of the company's profits.

Every director or chief executive officer of a company who wilfully pays or permits to be paid any dividend in contravention of the Singapore Companies Act shall:

- (a) shall, without prejudice to any other liability, be guilty of an offence and shall be liable on conviction to a fine not exceeding five thousand Singapore dollars (\$5,000) or to imprisonment for a term not exceeding twelve (12) months; and
- (b) shall also be liable to the creditors of the company for the amount of the debts due by the company to them respectively to the extent by which the dividends so paid have exceeded the profits and such amount may be recovered by the creditors or the liquidator suing on behalf of the creditors.

SUMMARY OF THE MATERIAL DIFFERENCES BETWEEN THE EXISTING BYE-LAWS AND THE NEW CONSTITUTION

A summary of the material differences between the provisions of the Existing Bye-Laws and the New Constitution is set out below.

(a) Interpretation clause

The introduction of new definitions such as “Account Holder”, “book-entry securities”, “documents evidencing title” and “treasury share” are provided for under the New Constitution for a clearer reading of the New Constitution.

(b) Registered Office

Upon its transfer of registration, the Company will have to comply with the provisions of the Singapore Companies Act, hence pursuant to Section 142 of the Singapore Companies Act, and as provided for in regulation 3 of the New Constitution, the Company’s registered office will be in Singapore, and not Bermuda as set out in the Existing Bye-Laws.

(c) References to Par Value, Nominal Value and Premium

References to shares being issued with or without par value, and shares having nominal value or a premium paid on them have been deleted in the New Constitution in light that the concept of par value of shares has been abolished under the Singapore Companies Act.

(d) Treasury Shares

A new regulation 9 has been inserted in the New Constitution which provides for treasury shares to be subject to such rights and restrictions as may be prescribed in the Singapore Companies Act and that they may be dealt with by the Company in such manner as may be permitted by and in accordance with the Singapore Companies Act.

(e) Conversion of Class of Shares

A new regulation 53(2) has also been inserted in the New Constitution which provides that the Company may by special resolution, subject to the provisions of the Singapore Companies Act and any other applicable legislation, convert one class of shares into another class of shares.

(f) No Transfer of Shares to Infant, Bankrupt or Mentally Disordered Person

A new regulation 23 has been inserted in the New Constitution which provides that no share shall be transferred to any infant, bankrupt or person who is mentally disordered and incapable of managing himself or his affairs, although the Company shall not have any liability in respect of the registration of such transfer if the Company has no actual knowledge of the same.

(g) Determining Number of Shares entered in Depository Register

Under the New Constitution, for the purposes of determining the number of votes which a Member, being a Depositor, or his proxy may cast at any General Meeting on a poll, reference shall be made to Shares entered against his name in the Depository Register as at seventy-two (72) hours before the time of the relevant General Meeting. Under the Existing Bye-Laws, the relevant time period is not earlier than forty-eight (48) hours prior to the time of the relevant General Meeting instead. This change is in line with Section 81 SJ(4) of the SFA.

APPENDIX III

(h) Receipt of Instruments of Proxy

Under the New Constitution, an instrument appointing a proxy must be received by the Company in such manner specified not less than seventy-two (72) hours before the time appointed for the holding of the meeting or adjourned meeting, whereas under the Existing Bye-Laws, an instrument appointing a proxy must be received by the Company in such manner specified not less than forty-eight (48) hours before the time appointed for the holding of the meeting or adjourned meeting. This is in line with Section 178(1)(c) of the Singapore Companies Act.

(i) Mandatory Polling

Pursuant to Rule 730A(2) of the Listing Rules and Guideline 16.5 of the Code of Corporate Governance 2012, regulation 69(1) of the New Constitution provides that if required by the Listing Rules of the SGX-ST, all resolutions at General Meetings shall be voted by poll (unless such requirement is waived by the SGX-ST), whereas under the Existing Bye-Laws, a resolution put to the vote of a General Meeting shall be decided on a show of hands unless before, or on the declaration of the result of the show of hands, a poll is duly demanded in accordance with the articles of the Existing Bye-Laws.

(j) Multiple Proxies

Regulations 75 and 81 of the New Constitution which relate to the voting rights of Members and the appointment of proxies, contain new provisions which cater to the multiple proxies regime introduced by the Amendment Acts. The multiple proxies regime allows “relevant intermediaries”, such as banks, capital markets services licence holders which provide custodial services for securities and the Central Provident Fund Board, to appoint more than two proxies to attend, speak and vote at General Meetings. In particular:

- (i) a new regulation 75(1) has been inserted in the New Constitution which provides that in the case of a Member who is a “relevant intermediary” and who is represented at a General Meeting by two or more proxies, each proxy shall be entitled to vote on a show of hands. This is in line with Section 181(1D) of the Singapore Companies Act; and
- (ii) new regulations 81(1) and 81(4) have also been inserted in the New Constitution which provides that subject to the provisions of the Singapore Companies Act, a Member who is a “relevant intermediary” may appoint more than two proxies to attend, speak and vote at the same General Meeting, but each proxy must be appointed to exercise the rights attached to a different share or shares held by such Member, and where such Member’s form of proxy appoints more than two proxies, the number and class of shares in relation to which each proxy has been appointed must be specified in the form of proxy. This is in line with Section 181(1C) of the Singapore Companies Act.

(k) Power to Authenticate Documents via Electronic Means

For flexibility, regulation 126 of the New Constitution provides for any authentication or certification made pursuant to the respective regulations to be made by any electronic means approved by the Directors from time to time. This will be in tandem with technological advancements.

(l) Service on Overseas Members

A new regulation 155 has been inserted in the New Constitution which sets out that no Member other than a Member with a registered address within Singapore shall be entitled to receive any notice or documents from the Company, save that where a Member, whose address in the Register of Members or Depository Register (as the case may be) is not within Singapore, has given notice in writing to the Company or the Depository (as the case may be) an address in Singapore which shall be deemed his registered address for the purpose of service of any notice or document.

APPENDIX III

(m) Personal Data Protection Act 2012

A new regulation 164 has been inserted in the New Constitution to specify, *inter alia*, the purposes for which the Company and/or its agents and service providers would collect, use and disclose personal data of Members and their appointed proxies or representatives in view that under the Personal Data Protection Act 2012, an organisation can only collect, use or disclose personal data of an individual with the individual's consent, and for a reasonable purpose which the organisation has been made known to the individual.

(n) Call on Shares

Under the New Constitution, the Company may make a call on shares in respect of any money unpaid on the shares and a Member of the company shall be given at least thirty (30) days' notice specifying the time and place of payment as provided under regulation 32, whereas under the Existing Bye-Laws at least thirty (30) business days' notice must be given instead.

(o) Forfeiture and Lien

Under the New Constitution, a Member who has failed to pay in full any call or instalment of a call on or before the day appointed for payment thereof, is to be given at least seven (7) days' notice where his shares will be liable to be forfeited in the event of non-payment as provided under regulation 39, whereas Bye-Law 19 provides that the number of days of notice to be provided is fourteen (14) clear days (as defined in Appendix I) instead.

(p) Sale of Shares Subject to Lien

Under the New Constitution, the Directors are required to, *inter alia*, give seven (7) days' notice in writing stating and demanding payment of the sum payable and to give notice of their intention to sell the shares of a Member that are not fully paid and the Company has a lien over as provided under regulation 47, whereas under Bye-Law 26 the Directors are able to sell the shares of a Member that are not fully paid, with or without giving any notice of such an intention for the purposes of enforcing a lien or charge.

(q) Retention of Instruments of Transfer

Under the New Constitution, while all instruments of transfer which are registered may be retained by the Company, the Directors are required to return to the instrument of transfer to the person who deposited it if the Directors decline to register it, except in the case of fraud, as provided under the regulation 25(1). However under Bye-Law 29(e), the Directors are required to provide a notice of refusal to both the transferor and transferee within one (1) month after the date of lodgment if they refuse to register a transfer of any share.

(r) Redemption of Ordinary Shares

While the Existing Bye-Laws provided for the redemption of ordinary shares of the Company by, *inter alia*, giving any Member not less than fifteen (15) business days written notice of its intention to compulsorily redeem the ordinary shares of the Member and to compulsorily redeem such ordinary shares at the net asset value per ordinary share as provided under Bye-Law 34, the New Constitution no longer provides for the redemption of ordinary shares of the Company and an acquisition of ordinary shares from a Member by the Company will have to be done either as a share buyback or a capital reduction in accordance with the special procedures under the Singapore Companies Act.

APPENDIX III

(s) The Conversion of Shares and Stocks

A new regulation 55 has been inserted in the New Constitution which sets out that the Company may by Ordinary Resolution convert any or all its paid up shares into stock and may from time to time by resolution reconvert any stock into paid up shares.

(t) Voting at a General Meeting

Under the New Constitution and in line with Section 178 of the Singapore Companies Act, a resolution put to the vote of any General Meeting shall be decided on a show of hands by the Members in person or by proxy and entitled to vote unless a poll is (before or on the declaration of the result of the show of hands) demanded by, *inter alia*, by at least two (2) Members present in person or by proxy, or by any Member or Members present in person or by proxy who hold not less than five (5) per cent of the total voting rights of all the Members having the right to vote at the Meeting as provided under regulation 69(2), whereas the existing Bye-Laws requires, *inter alia*, at least three (3) Members present in person or by proxy, or any Member or Members present in person or by proxy who hold not less than one tenth of the total voting rights of all of all the Members having the right to vote at such meeting, whether the Shares are held between them or in the aggregate, as provided under Bye-Law 47. Please however kindly note that pursuant to regulation 69(1), all resolutions passed at any General Meeting shall be voted by poll (unless such requirement is waived by such securities exchange) if required by the listing rules of any securities exchange upon which the shares of the Company may be listed, and the position is similar to that under Bye-Law 47(h).

(u) Time for a Quorum to be Met

Under the New Constitution, a meeting shall be dissolved or adjourned (depending on the circumstances) if a quorum is not present within half an hour from the time appointed for the holding of a General Meeting as provided under regulation 65, whereas a meeting is only dissolved or adjourned (depending on the circumstances) if a quorum is not present within 15 minutes from the time appointed for the holding of a General Meeting as provided under Bye-Law 43.

(v) Number of Directors

Under the New Constitution, the number of Directors shall not be less than two or more than fifteen in number as provided under regulation 87, whereas Bye-Law 56(a) only provided that the number of Directors shall not be less than 2.

(w) Removal of Directors

Under the New Constitution and in line with Section 152 of the Singapore Companies Act, the Company may by Ordinary Resolution of which special notice has been given, remove any Director before the expiration of his period of office as provided under regulation 101(2), whereas Bye-Law 57 stipulates, *inter alia*, that a manager nominated director may only be removed by the Directors on 14 days written notice.

(x) Director Fees

Under the New Constitution and in line with Section 169 of the Singapore Companies Act, the fees of the Directors shall be determined in a General Meeting and such fees shall not be increased except pursuant to an Ordinary Resolution passed at a General Meeting as provided under regulation 91, whereas Bye-Law 60 provides, *inter alia*, that until otherwise determined by the Company by an Ordinary Resolution, the Directors may determine their fees without seeking approval at a General Meeting if the total fees do not exceed an amount equal to the number of Directors appointed at the relevant time multiplied by US\$70,000.

APPENDIX III

(y) Capitalisation of Profits

Under the Existing Bye-Laws, Bye-Law 80(a)(i) provides that the company may upon recommendation of the Directors capitalise all or any part of any amount for the time being standing to the credit of any reserve or fund which is available for distribution or to the credit of any share premium account or any capital redemption reserve fund. However as there is no concept of par value or share premium in Singapore, regulation 140(1)(b) of the New Constitution provides that the Directors may with the sanction of the Company by way of an Ordinary Resolution capitalise any sum for the time being standing to the Company's reserve accounts or other undistributable reserve or any sum standing to the credit of the profit and loss account by appropriating such sum to the persons registered as holders of shares instead. This is in line with Section 62A of the Singapore Companies Act.

(z) Payment of Dividends

Under the New Constitution and in line with Section 403 of the Singapore Companies Act, the Directors may, with the sanction of the Company, by Ordinary Resolution declare dividends but (without prejudice to the powers of the Company to pay interest on share capital as hereinbefore provided) no dividend shall be payable except out of the profits of the Company, and no dividend shall exceed the amount recommended by the Directors and a declaration by the Directors as to the amount of profits at any time available for dividends shall be conclusive as provided under regulation 128, whereas under the existing Bye-Law, the Directors may from time to time declare dividends or distribution to be paid to the holders of ordinary shares, without a similar restriction.

(aa) Retention of Dividends on Shares Subject to Lien

A new regulation 133 has been inserted in the New Constitution which sets out that the Directors may retain any dividend or other moneys payable on or in respect of a share on which the Company has a lien and may apply the same in or towards satisfaction of the debts, liabilities or engagements in respect of which the lien exists.

(bb) Retention of Dividends on Shares Pending Transmission

A new regulation 134 has been inserted in the New Constitution which sets out that the Directors may retain the dividends payable on shares in respect of which any person is under the New Constitution, as to the transmission of shares, entitled to become a Member, or which any person under the New Constitution is entitled to transfer, until such person shall become a Member in respect of such shares or shall duly transfer the same.

(cc) Voting in Absentia

A new regulation 86A has been inserted in the New Constitution which sets out that the Directors may, at their sole discretion, approve and implement, subject to such security measures as may be deemed necessary or expedient, such voting methods to allow Members who are unable to vote in person at any General Meeting the option to vote in absentia, including but not limited to voting by mail, electronic mail or facsimile. This is in line with Guideline 16.1 of the code of corporate governance.

(dd) Electronic Transmission of Notices and Documents

While the Existing Bye-Laws provides that a document posted on a website will be deemed to have been delivered provided that each Member is notified of the address of the website and a Member will retain the right to receive documents in physical form, *inter alia*, should the Member choose to do so in writing to the Company as provided in Bye-Law 85A, the New Constitution now provides for the use of electronic communications where a notice or document is required or permitted to be given, sent or served under the Singapore Companies Act and listing rules of the Exchange. Members are deemed to have agreed to receive a notice or document from the Company by way of electronic communications and shall not have a right to elect to receive a physical copy of such notice or document, unless otherwise provided under the listing rules of the Exchange and applicable laws or if the Directors, at their sole and absolute discretion, give the Members an opportunity to elect otherwise as provided under regulation 152. This is in line with Section 387C of the Singapore Companies Act.

APPENDIX III

Going forward, the Company will transmit notices and documents electronically to reduce costs and increase efficiency. A Member who wishes to receive a physical copy of such notices and documents may complete the election form for the physical copy of such notices and documents and the Company will send a physical copy of the same to the relevant Member.

(ee) Scrip Dividend Scheme

A new regulation 138A has been inserted in the New Constitution which sets out, *inter alia*, that the Directors or the Company in General Meeting may resolve or propose that a dividend (including an interim, final, special or other dividend) be paid or declared on shares of a particular class in the capital of the Company, and that the Directors may further resolve that Members entitled to such dividend be entitled to elect to receive an allotment of shares of that class credited as fully paid in lieu of cash in respect of the whole or such part of the dividend as the Directors may think fit.

(ff) Investment Policy

Under the Existing Bye-Laws, Bye-Law 82 provides that the investment policy of the Company is to make investments in a portfolio of assets in different sectors through different means which include but not limited to direct asset ownership, swaps, credit default swaps, debts, warrants, options, convertibles, preference shares, equity, guarantees of assets and performance, securities lending and participating loan agreements provided that the Company will not make any direct investments in real estate and commodities. However, in order to provide the Company with more flexibility in its investment policy to react to existing market conditions for the benefit of the Shareholders, the New Constitution will not contain a similar provision as doing so would require a Special Resolution to amend the Constitution every time the Company wishes to diversify its investment objectives. The investment policy of the Company however remains unchanged.

Please note that the above list may not be exhaustive and Members are advised to refer to the full text of the New Constitution as set out in Appendix I of this Circular.

SCRIP DIVIDEND SCHEME (RESTATED)

1. Rationale and Purpose

The restated scrip dividend scheme ("**Scrip Dividend Scheme**") will provide Shareholders (as defined below) with the opportunity to make an election to receive Dividends (as defined below) in the form of Shares (as defined below) instead of in cash.

The Scrip Dividend Scheme will enable Shareholders to acquire additional Shares without having to incur transaction or other related costs. The Company will also benefit from the participation by Shareholders in the Scrip Dividend Scheme as, to the extent that Shareholders elect to receive Dividends in the form of Shares, the cash which would otherwise be payable by way of Dividends may be retained to fund the continuing growth and expansion of the Company. The retention of cash and the issue of Shares in lieu of all or part only of the cash Dividends under the Scrip Dividend Scheme will also enlarge the Company's share capital base and strengthen its working capital.

2. Election to Receive Dividends in the Form of Shares in lieu of all or part only of Cash

Under the Scrip Dividend Scheme, whenever a Dividend has been declared and the directors ("**Directors**") have determined that in respect of their entitlement to such dividend, each Shareholder may elect to receive new Shares in lieu of all or part only of the cash amount of any Dividend declared on their holding of Shares.

An announcement will be made by the Company as soon as practicable following the determination by the Directors that the Scrip Dividend Scheme is to apply to a particular Dividend, and in any event, by no later than the Market Day (as defined below) immediately following the Books Closure Date (as defined below) for the Dividend. Shareholders may only participate in respect of their shareholdings as at the Books Closure Date for any Qualifying Dividend (as defined below).

A Shareholder will, at the sole discretion of the Company, receive one (1) or more notices of election (in such form as the Directors and/or CDP (as defined below) may approve) (the "**Notices of Election**") in relation to all of his holding of Shares. A Shareholder may elect to receive new Shares in respect of all or part only of his entitlement to the Dividend to which each Notice of Election relates.

A Shareholder may also make a permanent election to receive new Shares in respect of his entitlement to all future Dividends to which each Notice of Election relates. Where a permanent election has been made, the participating Shareholder may, by providing the appropriate notice (in accordance with the Scrip Dividend Scheme Statement set out below), cancel his participation and withdraw from the Scrip Dividend Scheme at any time. The cancellation of a permanent election by a Shareholder would not preclude him from making a fresh permanent election, should he wish to do so, at a later time.

A Shareholder receiving two (2) or more Notices of Election may elect to receive new Shares in respect of the whole of his entitlement to which one (1) Notice of Election relates and decline to receive new Shares in respect of his entitlement to which any other Notice of Election relates. A Shareholder receiving two (2) or more Notices of Election and electing to receive new Shares in respect of the whole of his entitlements to the Qualifying Dividend in respect of the whole of his holding of Shares must complete sign and return the duly completed and signed originals of all Notices of Election received by him to the Company and/or CDP, as the case may be. A Shareholder will receive his entitlement to any Qualifying Dividend in cash if his Notice of Election is not received or if he does not elect to participate in the Scrip Dividend Scheme. Shareholders need not take any action if they wish to receive their entitlement to the Qualifying Dividend in cash.

A Shareholder who is a Depository Agent (as defined below) or nominee company of a bank, merchant bank, stockbroker or other financial institution, holding Shares as a custodian, may, at the absolute discretion of the Directors, be allowed to make an election to participate in the Scrip Dividend Scheme in respect of part only of the Shares to which each Notice of Election received by it relates.

APPENDIX IV

3. New Shares Allotted under the Scrip Dividend Scheme

For the purpose of calculating the number of new Shares to be allotted to Shareholders, the issue price of a new Share shall not be set at more than 10% discount to the arithmetic average of the daily volume weighted average price of a Share on the SGX-ST (as defined below) during the price determination period (that is, the period commencing on the day on which the Shares are first quoted ex-dividend on the SGX-ST and ending on the Books Closure Date in respect of such dividend).

Consequently (where the Scrip Dividend Scheme applies to a particular Dividend), it will not be possible until after the close of business on the relevant Books Closure Date to determine the exact number of new Shares to which Shareholders electing to receive new Shares will be entitled. An announcement will be made setting out the issue price of a new Share to be used in the calculation of Shareholders' entitlements to the new Shares in respect of such Dividend. In addition, Notices of Election will be sent to Shareholders after the Books Closure Date.

The new Shares to be allotted and issued pursuant to the Scrip Dividend Scheme will rank *pari passu* in all respects with the existing Shares then in issue save only as regards to participation in the Qualifying Dividend which is the subject of the election (including the right to make any election pursuant to the Scrip Dividend Scheme) or any other distribution, bonuses or rights paid, made, declared or announced prior to, or contemporaneous with, the payment or declaration of the Qualifying Dividend which is the subject of the election, unless the Directors shall otherwise specify in their absolute discretion.

4. Fractional Entitlements

Fractional entitlements to new Shares will be rounded up to the nearest whole number or otherwise dealt with in such manner as the Directors may deem fit in the interests of the Company and as acceptable to the SGX-ST.

5. Odd Lots

A Shareholder who elects to receive new Shares in lieu of all or part only of the cash amount of the Qualifying Dividend may receive such new Shares in odd lots.

6. Qualifying Dividend Received in Cash if No Election

Shareholders will receive the Qualifying Dividend in cash if they do not explicitly elect to participate in the Scrip Dividend Scheme.

Shareholders need not take any action if they wish to receive their entitlement to the Qualifying Dividend in cash.

7. Availability of the Scrip Dividend Scheme

Notwithstanding any provisions of the Scrip Dividend Scheme, if at any time after the Directors have determined that the Scrip Dividend Scheme shall apply to any Dividend and before the allotment and issue of new Shares in respect of such Dividend, the Directors shall consider that by reason of any event or circumstance (whether arising before or after such determination) or by reason of any matter whatsoever it is no longer expedient or appropriate to implement the Scrip Dividend Scheme in respect of such Dividend, the Directors may, in their absolute discretion and as they deem fit in the interest of the Company and without assigning any reason therefor, cancel the application of the Scrip Dividend Scheme to such Dividend. In such event, the Dividend shall be paid in cash to Shareholders in the usual way.

APPENDIX IV

8. Eligibility

All Shareholders are eligible to participate in the Scrip Dividend Scheme, subject to the restrictions on Overseas Shareholders (as defined below) (that is, Shareholders with registered mailing addresses outside Singapore and who have not provided to the Company or (as the case may be) CDP, not later than three (3) Market Days prior to the relevant Books Closure Date, mailing addresses in Singapore for the service of notices and documents) more particularly described below, and further subject to the requirement that such participation by the Shareholder will not result in a breach of any other restriction on such Shareholder's holding of Shares which may be imposed by any statute, law or regulation in force in Singapore or any other relevant jurisdiction, as the case may be, or the Constitution (as defined below) of the Company.

9. Overseas Shareholders

The offer of the Scrip Dividend Scheme may be prohibited or restricted (either absolutely or unless various requirements are complied with) in certain jurisdictions under the relevant securities laws.

For practical reasons and to avoid any violation of securities laws applicable in countries outside Singapore where Shareholders may have their registered mailing addresses, the Scrip Dividend Scheme may, at the absolute discretion of the Directors, not be offered to Overseas Shareholders. No Overseas Shareholder shall have any claims whatsoever against the Company as a result of the Scrip Dividend Scheme not being offered to such Overseas Shareholder. Overseas Shareholders who wish to be eligible to participate in the Scrip Dividend Scheme should provide a mailing address in Singapore for the service of notices and documents by notifying the Company c/o the Share Registrar, Boardroom Corporate & Advisory Services Pte. Ltd. at 50 Raffles Place, #32-01, Singapore Land Tower, Singapore 048623 or, if the Overseas Shareholder is a Depositor (as defined below), the CDP, at 9 North Buona Vista Drive, #01-19/20, The Metropolis, Singapore 138588 (or any such address as may be announced by the Company from time to time) not later than three (3) Market Days prior to the relevant Books Closure Date. Depositors should note that all correspondence, documents and notices will be sent to their last registered mailing addresses maintained with the Company or CDP, as the case may be.

10. Obligation to extend take-over offer

The attention of the Shareholders are drawn to the Singapore Code on Take-overs and Mergers ("**Take-over Code**"). In particular, Rule 14 of the Take-over Code provides that, except with the consent of the Securities Industry Council ("**SIC**"), a Shareholder may be under an obligation to extend a take-over offer for the Company if:

- (a) he acquires, by participating in the Scrip Dividend Scheme in relation to any Qualifying Dividend, whether at one time or different times, Shares which (taken together with Shares held or acquired by him or persons acting in concert with him) carry 30% or more of the voting rights of the Company; or
- (b) he, together with persons acting in concert with him holds not less than 30% but not more than 50% of the voting rights of the Company and he, or any person acting in concert with him, acquires additional Shares by participating in the Scrip Dividend Scheme in relation to any Qualifying Dividend or otherwise in any period of six (6) months, thereby increasing such percentage of the voting rights of the Company by more than 1%.

The statements herein do not purport to be a comprehensive or exhaustive description of all the relevant provisions of, or all implications that may arise under, the Take-over Code or other relevant legislation or regulations. Shareholders who are in doubt as to whether they would incur any obligation to make a takeover offer under the Take-over Code as a result of any acquisition of Shares through their participation in the Scrip Dividend Scheme are advised to consult their professional advisers and/or the SIC of Singapore at the earliest opportunity.

APPENDIX IV

11. Listing on the Mainboard of the SGX-ST

The Company shall make the necessary application(s) for the listing and quotation of the New Shares to be issued for the purposes of, in connection with or where contemplated by the Scrip Dividend Scheme. Any approval in-principle granted by the SGX-ST for the listing of such new Shares is not to be taken as an indication of the merits of the Scrip Dividend Scheme, the New Shares, the Company, its subsidiaries and their securities.

It is expected that share certificates will be posted at the risk of those entitled or, as the case may be, the new Shares will be credited to the relevant securities accounts of Depositors, on or about the payment date for the Dividend, which shall be a date not less than 30 Market Days but not more than 35 Market Days after the relevant Books Closure Date for that Dividend.

12. Taxation

The Company takes no responsibility for the taxation liabilities of Shareholders who choose to participate in the Scrip Dividend Scheme or the tax consequences of any election made by the Shareholders. As individual circumstances and laws may vary considerably, specific tax advice should be obtained by Shareholders if they are in doubt or if they otherwise require. The Company accepts no responsibility for the correctness or accuracy of any information as to tax liability contained in the Scrip Dividend Scheme Statement set out in the attached Schedule.

Without prejudice to the foregoing paragraph, as a general indication, however, it is understood that as at the date hereof, under tax legislation in Singapore, a Shareholder's Singapore tax liability in relation to the Qualifying Dividends received will not alter, nor is there any tax advantage to be gained, by reason of having elected to participate in the Scrip Dividend Scheme. The Company accepts no responsibility for the correctness or accuracy of any information as to taxation liability set out herein.

13. Modification and Termination of the Scrip Dividend Scheme

The Scrip Dividend Scheme may be modified or terminated by the Directors as they deem fit on providing notice in writing to all Shareholders, except that no material modifications shall be made without the prior approval of the SGX-ST.

In the case of a modification, the Scrip Dividend Scheme will continue as modified in relation to each Shareholder who has made a permanent election under the Scrip Dividend Scheme unless and until the Company, or as the case may be, CDP (where the Shareholder is a Depositor) receives a duly completed and original signed notice of cancellation in respect of a Notice of Election submitted by the Shareholder or his permanent election otherwise ceases to have effect as provided in Section 13 of the Scrip Dividend Scheme Statement.

14. General

It should be noted that the grant of the right to participate in the Scrip Dividend Scheme to elect to receive new Shares in lieu of all or part only of cash in respect of any dividend is made to all Shareholders, including Directors, Substantial Shareholder(s) and other interested persons of the Company who hold Shares, subject to the restrictions referred to in Section 3 of the Scrip Dividend Scheme Statement.

The terms and conditions of the Scrip Dividend Scheme are set out in the attached Schedule.

Schedule

SCRIP DIVIDEND SCHEME STATEMENT (RESTATED)

This Scrip Dividend Scheme statement (the “**Statement**”) contains the terms and conditions of the restated Global Investments Limited Scrip Dividend Scheme under which persons registered in the Register of Members of Global Investments Limited (the “**Company**”), or, as the case may be, the Depository Register (as defined below) as the holders of fully paid ordinary shares in the Company (the “**Shareholders**”) may elect to receive fully paid new ordinary shares in the capital of the Company (the “**Shares**”) in lieu of all or part only of the cash amount of any Dividend (including any interim, final, special or other Dividend) which is declared on the Shares held by them (after the deduction of applicable income tax).

SUMMARY OF MAIN FEATURES OF THE SCRIP DIVIDEND SCHEME

The Scrip Dividend Scheme provides Shareholders with the option to elect to receive new Shares in lieu all or part only of the cash amount of any dividend (including any interim, final, special or other dividend) (the “**Dividend**”) declared on their holding of Shares (after the deduction of applicable income tax). Under the present law in Singapore, there are no brokerage, stamp duty or other transaction costs payable on new Shares allotted and issued under the Scrip Dividend Scheme.

All Shareholders are eligible to participate in the Scrip Dividend Scheme subject to the restrictions on Overseas Shareholders, more particularly described below. Shareholders may elect to participate in respect of all or part only of their holding of Shares to which each Notice of Election (as defined below) relates in respect of any Qualifying Dividend (as defined below) and may also make a permanent election to participate in respect of all their holding of Shares to which each Notice of Election relates for all future Qualifying Dividends. Shareholders receiving more than one (1) Notice of Election may elect to participate in respect of their holding of Shares to which one (1) Notice of Election relates and elect not to participate in respect of their holding of Shares to which any other Notice of Election relates. Where a permanent election has been made, participating Shareholders may cancel their participation and withdraw from the Scrip Dividend Scheme at any time, subject to providing appropriate notice in accordance with paragraph 13 of this Statement.

The directors of the Company (the “**Directors**”) may, in their absolute discretion, determine that the Scrip Dividend Scheme will apply to any particular Dividend. An announcement will be made by the Company as soon as practicable following the determination by the Directors that the Scrip Dividend Scheme is to apply to a particular Dividend, and in any event, by no later than the next Market Day immediately following the Books Closure Date in respect of the particular Dividend. Unless the Directors have determined that the Scrip Dividend Scheme will apply to any particular Dividend, the Dividend concerned will be paid in cash to the Shareholders in the usual manner.

New Shares allotted and issued under the Scrip Dividend Scheme will rank *pari passu* in all respects with the Shares then in issue save only as regards to participation in the Qualifying Dividend which is the subject of the election (including the right to make any election pursuant to the Scrip Dividend Scheme) or any other distributions, bonuses or rights paid, made, declared or announced prior to or contemporaneous with the payment or declaration of the Qualifying Dividend which is the subject of the election, unless the Directors shall otherwise specify in their absolute discretion.

Shareholders participating in the Scrip Dividend Scheme will receive, on or about each dividend payment date, notification letters setting out, *inter alia*, the number of new Shares allotted to them under the Scrip Dividend Scheme.

HOW TO PARTICIPATE IN THE SCRIP DIVIDEND SCHEME

Participation in the Scrip Dividend Scheme is optional. A Shareholder electing to receive new Shares in respect of any Qualifying Dividend or to make a permanent election to receive new Shares in respect of all future Qualifying Dividends to which a Notice of Election received by him relates should complete, sign and return the duly completed and signed original of the Notice of Election to the Company at the address indicated on the Notice of Election or, if the Shareholder is a Depositor (as defined below), to CDP.

A Shareholder receiving more than one (1) Notice of Election and electing to receive new Shares in respect of all of his entitlement to the Qualifying Dividend or to make a permanent election to receive new Shares in respect of all future Qualifying Dividends must complete, sign and return the duly completed and signed originals of all the Notices of Election received by him to the Company and/or CDP, as the case may be.

To be effective in respect of any Qualifying Dividend to which a Notice of Election relates, such duly completed and signed original of the Notice of Election must be received by the Company or (as the case may be) CDP no later than the date and time to be specified by the Directors in respect of that Qualifying Dividend.

A Shareholder may only make a permanent election to receive Shares in respect of **all and not part only** of his entitlement to future Qualifying Dividends. Permanent election is not available for part only of a Shareholder's entitlement.

No Overseas Shareholder shall have any claim whatsoever against the Company as a result of the Scrip Dividend Scheme not being offered to such Overseas Shareholders. If the Directors have decided not to offer the Scrip Dividend Scheme to Overseas Shareholders, Overseas Shareholders who receive or come to have in their possession this Statement and/or a Notice of Election may not treat the same as an invitation to them and are advised to inform themselves of, and to observe, any prohibitions and restrictions, and to comply with any applicable laws and regulations relating to the Scrip Dividend Scheme as may be applicable to them. A Notice of Cancellation in any other form will not be accepted by the Company or (as the case may be) CDP.

APPENDIX IV

The Company will, at its sole discretion, send to each Shareholder one (1) or more Notices of Election. 9. New Share Entitlement

By electing to participate in the Scrip Dividend Scheme in respect of any Notice of Election received by him, a Shareholder elects in respect of any Qualifying Dividend (after the deduction of applicable income tax) to receive new Shares in lieu of all or part only of the cash amount of the Qualifying Dividend.

In respect of any Qualifying Dividend, the number of new Shares to be allotted and issued to the Participating Shareholder in respect of a Notice of Election shall be calculated in accordance with the following formula:

$$N = \frac{S \times D}{V}$$

Where:

N = is the number of new Shares to be allotted and issued as fully paid to the Participating Shareholder in respect of such Notice of Election.

S = is the number of Participating Shares held by the Participating Shareholder as at the Books Closure Date for which such Notice of Election relates to.

D = is the Qualifying Dividend (after deduction of applicable income tax) to which such Notice of Election relates.

APPENDIX IV

V = is the issue price of a new Share, which shall for the purpose of calculating the number of new Shares to be allotted and issued as fully paid to Participating Shareholders, pursuant to the Scrip Dividend Scheme, be an amount in Singapore dollars determined by the Directors (the “**Relevant Amount**”), which Relevant Amount shall not be set at more than 10% discount to the arithmetic average of the daily volume weighted average price of a Share on the SGX-ST during the period commencing on the ex-dividend date and ending on the Books Closure Date in respect of such Qualifying Dividend.

The Directors shall be authorised and entitled to make such provisions as they deem fit where the number of Shares calculated in accordance with the above formula becomes attributable in fractions, including provisions whereby fractional entitlements are rounded up to the nearest whole number or otherwise dealt with in such other manner as they may deem fit in the interests of the Company and which is/are acceptable to the SGX-ST.

10. Terms of Allotment under the Scrip Dividend Scheme

All new Shares issued and allotted under the Scrip Dividend Scheme will be allotted as fully paid.

All such new Shares shall rank *pari passu* in all respects with all existing Shares then in issue save only as regards to participation in the Qualifying Dividend which is the subject of the election (including the right to make any election pursuant to the Scrip Dividend Scheme) or any other distributions, bonuses or rights paid, made, declared or announced prior to or contemporaneous with the payment or declaration of the Qualifying Dividend which is the subject of the election, unless the Directors shall otherwise specify in their absolute discretion.

Participating Shareholders who are Depositors will have the new Shares credited to their securities accounts maintained with CDP. In all other cases, certificates for the new Shares will be dispatched to the Shareholders, at their own risk, at their registered mailing addresses in Singapore maintained with the Company.

11. Notification to Successful Participants of the Scrip Dividend Scheme

The Company (through CDP) will send to each successful Participating Shareholder on or about each payment date for the Dividend which shall be a date not less than thirty (30) Market Days but not more than thirty five (35) Market Days after the Books Closure Date for that Dividend, or such other period as the Directors may decide, a notification letter detailing, *inter alia*:

- (a) the number of the Participating Shares held by the Participating Shareholder as at the relevant Books Closure Date; and
- (b) the number of new Shares to be allotted to the Participating Shareholder under the Scrip Dividend Scheme.

12. Cost to the Participants of the Scrip Dividend Scheme

13. Cancellation of Participation in the Scrip Dividend Scheme

A Participating Shareholder may cancel his permanent election to participate in the Scrip Dividend Scheme by completing and returning to the Company or (as the case may be) CDP, a Notice of Cancellation in such form as the Directors and/or CDP may approve. A Notice of Cancellation in any other form will not be accepted by the Company or, as the case may be, CDP. To be effective in respect of any Qualifying Dividend, the Notice of Cancellation must be received by the Company or, as the case may be, CDP, by the date and time to be specified by the Directors for that Qualifying Dividend, failing which the Notice of Cancellation will not be effective for that Qualifying Dividend.

APPENDIX IV

Where a Participating Shareholder provides notice to the Company or, if the Participating Shareholder is a depositor, to CDP, of a change of his mailing registered address for the service of notices and documents from a mailing address within Singapore to a mailing address outside Singapore, he shall, unless otherwise determined by the Directors in their absolute discretion, thereupon be considered an Overseas Shareholder. Any permanent election to participate in the Scrip Dividend Scheme made previously by such Participating Shareholder shall, unless otherwise determined by the Directors, be deemed to have been cancelled and the Company shall be authorised and entitled to make arrangements with CDP to cancel such permanent elections.

If a Participating Shareholder, who is an individual, dies, any permanent election made previously to participate in the Scrip Dividend Scheme by that Shareholder will only cease upon receipt by the Company or, if that Shareholder is a Depositor, by CDP, of a duly completed and signed original of the Notice of Cancellation from the personal representative(s) of the deceased Participating Shareholder. If the personal representative(s) of the deceased Shareholder wish(es) to participate in the Scrip Dividend Scheme in respect of any Qualifying Dividend or in respect of all future Qualifying Dividends in relation to the Shares forming part of the estate of the deceased Shareholder, the relevant Notices of Election must be completed, signed and submitted by such personal representative(s) in accordance with these Terms and Conditions.

If a Participating Shareholder becomes bankrupt or, in the case where the Participating Shareholder is a company, is wound up, any permanent election to participate in the Scrip Dividend Scheme made previously by that Shareholder will only cease upon receipt by the Company or, if that Shareholder is a Depositor, by CDP of a duly completed and signed original of the Notice of Cancellation from or on behalf of the Participating Shareholder.

14. Cancellation of Application of the Scrip Dividend Scheme

Notwithstanding any provision in these Terms and Conditions, if at any time after the Directors have determined that the Scrip Dividend Scheme shall apply to any particular Dividend and before the allotment and issue of new Shares in respect of that Dividend, the Directors shall consider that by reason of any event or circumstance (whether arising before or after such determination) or by reason of any matter whatsoever it is no longer expedient or appropriate to implement the Scrip Dividend Scheme in respect of such Dividend, the Directors may, in their absolute discretion and as they may deem fit in the interest of the Company and without assigning any reason thereof, cancel the application of the Scrip Dividend Scheme to the Dividend. In such event, the Dividend shall be paid in cash to Shareholders in the usual manner.

15. Modification and Termination of the Scrip Dividend Scheme

The Scrip Dividend Scheme may be modified or terminated at any time by the Directors as they deem fit on providing notice in writing to all Shareholders, except that no material modification shall be made without the prior written approval of the SGX-ST.

In the case of a modification, the Scrip Dividend Scheme will continue as modified in relation to each Shareholder who has made a permanent election under the Scrip Dividend Scheme unless and until the Company or, if the Shareholder is a Depositor, CDP, receives a duly completed and original signed Notice of Cancellation from the Participating Shareholder.

16. Collection, Use and Disclosure of Personal Data

For the purposes of implementing and administering the Scrip Dividend Scheme, responding to instructions or enquiries made or purportedly made by a Shareholder and enforcing rights or fulfilling obligations under any applicable laws, listing rules, regulations or guidelines or the terms and conditions of this Statement, the Company and/or CDP will collect, use and disclose the personal data of Shareholders who are individuals, as contained in each submitted Notice of Election or Notice of Cancellation, or which is otherwise collected from Shareholders (or their authorised representatives) and public sources. SCRIP DIVIDEND SCHEME (RESTATED)

1. Rationale and Purpose

~~Our Company has adopted a~~The restated scrip dividend scheme which ("**Scrip Dividend Scheme**") will provide our Shareholders (as defined below) with the opportunity to make an election to receive ~~dividends~~ dividends (as defined below) in the form of Shares (as defined below) instead of in cash.

The ~~scrip dividend scheme~~Scrip Dividend Scheme will enable Shareholders to acquire additional Shares without having to incur transaction or other related costs. ~~Our~~The Company will also benefit from the participation by Shareholders in the ~~scrip dividend scheme~~Scrip Dividend Scheme as, to the extent that Shareholders elect to receive ~~dividends~~ dividends in the form of Shares, the cash which would otherwise be payable by way of ~~dividends~~ dividends may be retained to fund the continuing growth and expansion of ~~our~~the Company. The retention of cash and the issue of Shares in lieu of all or part only of the cash ~~dividends~~ dividends under the ~~scrip dividend scheme~~Scrip Dividend Scheme will also enlarge ~~our~~the Company's share capital base and strengthen its working capital.

2. Election to receive dividendsReceive Dividends in the formForm of Shares in lieu of cashall or part only of Cash

Under the ~~proposed scrip dividend scheme~~Scrip Dividend Scheme, whenever a ~~dividend~~ dividend has been ~~announced~~declared and the ~~directors~~ ("Directors") have determined that in respect of their entitlement to such ~~dividend~~ dividend, each Shareholder has the following two choices in respect of such dividend:-

(a) ~~a cash dividend on his existing Shares held; or~~

(b) ~~an allotment of New~~may elect to receive new Shares in lieu of all or part only of the cash amount of the ~~any~~ ~~dividend entitlement credited as fully paid.~~declared on their holding of Shares

An announcement will be made by the Company as soon as practicable following the determination by ~~our~~the Directors that the ~~scrip dividend scheme~~Scrip Dividend Scheme is to apply to a particular ~~dividend~~ dividend, and in any event, by no later than the Market Day (as defined below) immediately following the ~~books~~ ~~closure~~ ~~date~~ (as defined below) for the ~~dividend~~ dividend. Shareholders may only participate in respect of their shareholdings as at the Books Closure Date for any Qualifying Dividend (as defined below).

A Shareholder will, at the sole discretion of the Company, receive one (1) or more notices of election (in such form as the Directors and/or CDP (as defined below) may approve) (the "**Notices of Election**") in relation to all of his holding of Shares. A Shareholder may elect to receive new Shares in respect of all ~~and not or~~ part only of his entitlement to the ~~dividend~~ dividend to which each Notice of Election relates.

A Shareholder may also make a permanent election to receive new Shares in respect of his entitlement to all future ~~dividends~~ dividends to which each Notice of Election relates. Where a permanent election has been made, the participating Shareholder may, by providing the appropriate notice (in accordance with the Scrip Dividend Scheme Statement set out ~~in the attached below~~), cancel his participation and withdraw from the ~~scrip dividend scheme~~Scrip Dividend Scheme at any time. The cancellation of a permanent election by a Shareholder would not preclude him from making a fresh permanent election, should he wish to do so, at a later time.

APPENDIX V

3. New Shares Allotted under the Scrip Dividend Scheme

For the purpose of calculating the number of new Shares to be allotted to Shareholders, the issue price of a new Share shall not be set at more than 10% discount to the arithmetic average of the daily volume weighted average price of a Share on the SGX-ST (as defined below) during the price determination period (that is, the period commencing on the day on which the Shares are first quoted ex-dividend on the SGX-ST and ending on the ~~b~~ Books c ~~losure~~ losure ~~d~~ Date in respect of such ~~d~~ Dividend). ~~In the event that there is no trading in our Shares during the price determination period, the issue price of a new Share shall not exceed the average of the last dealt prices of a Share on the SGX-ST for each of the Market Days during a period of five (5) Market Days immediately preceding the price determination period. In no event, however, will Shares be issued and allotted under the scrip dividend scheme at less than the par value of Shares.~~

In addition, Notices of Election will be sent to Shareholders after the ~~b~~ Books c ~~losure~~ losure ~~d~~ Date.

The new Shares to be allotted and issued pursuant to the ~~scrip dividend scheme~~ Scrip Dividend Scheme will rank pari passu in all respects with the existing Shares then in issue save only as regards to participation in the ~~dividend~~ Qualifying Dividend which is the subject of the election (including the right to make any election pursuant to the ~~scrip dividend scheme~~ Scrip Dividend Scheme) or any other distribution, bonuses or rights paid, made, declared or announced prior to, or contemporaneous with, the payment or declaration of the ~~dividend~~ Qualifying Dividend which is the subject of the election, unless ~~our~~ the Directors shall otherwise specify in their absolute discretion.

4. Fractional Entitlements

Fractional entitlements to the new Shares will be rounded up to the nearest whole number or otherwise dealt with in such manner as ~~our~~ the Directors may deem fit in the interests of ~~our~~ the Company and as ~~may be~~ acceptable to the SGX-ST.

5. Odd Lots

A Shareholder who elects to receive New Shares in lieu of all or part only of the cash amount of the Qualifying Dividend may receive such new Shares in odd lots.

APPENDIX V

6. Qualifying Dividend Received in Cash if No Election
